1   Foreword

The '2010 Approved Schedule of Fees and Charges' outlines all fees that may be charged by RMIT for enrolment or other engagement with RMIT in the 2010 calendar year. This document is published annually under the authority of the RMIT University Council. All fees in this schedule and appendices are subject to alteration by Council without notice. All approved changes will be recorded in the addendum of this document and posted on www.rmit.edu.au/fs/fees/schedules.

Only fees that have been approved by the Vice-Chancellor (or delegate) can be charged to students or persons; fees not approved are illegal and cannot be either charged or collected. Only approved fees listed in this document and appendices are configured in the University's student administration database. All student fees must be charged through the University's student administration database unless otherwise approved by Financial Services.

All fees and charges listed in this schedule and appendices have been approved by the Vice-Chancellor, and endorsed by Financial Services. Any questions about this document should be referred to the Deputy Director, Business Advisory or Manager, Student Financials in Financial Services.

In broad terms, there are three categories of fees charged by RMIT:

1. Tuition fees for Higher Education and TAFE students, studying in a Commonwealth or State Government supported place, or as a full fee-paying domestic or international student. This includes student contributions or tuition contributions.

2. Material fees and charges associated with courses and subjects offered by the University. These include fees or charges associated with field trips, goods or services which are used to produce items that become the physical property of students, lecture notes and reading material. In most instances, these charges are not compulsory and are optional at the student's discretion.

3. Administrative fees and charges include fees for parking, library fines, penalties for late payment or late enrolment, graduation ceremonies, etc.

The following sections provide a list of the fees and conditions that may apply to fees charged to students or persons for enrolment or other engagement with RMIT during 2010.

Fee information is also provided on the RMIT website www.rmit.edu.au/programs/fees

2   Application of 2010 Approved Schedule of Fees and Charges

All students or persons who enrol at RMIT for studies in the 2010 calendar year, or who otherwise engage with RMIT in 2010 (e.g. graduation, car parking, apply for admission, etc) are subject to the fees and charges detailed in this document.

All students who undertake their studies at RMIT in the 2010 calendar year are required to complete an enrolment form or enrol online. Completion of an enrolment form or online enrolment is a declaration that binds a student to the rules and obligations of this approved schedule of fees and charges (inclusive of amendments as approved by Council).

A student or person is liable for the resulting financial obligation from the application of their enrolment or other action pursuant to this approved schedule of fees and charges. The financial obligation to pay tuition fees will remain unless withdrawal of enrolment is made via the approved process prior to the semester financial deadlines advised.

2.1 Creation of financial liability

Financial liability for all Tuition and Administrative fees and charges are created at the point of enrolment. Students become liable for Material fees upon signed agreement and/or upon receipt of the corresponding goods or service.

2.2 Cessation of financial liability

Financial liability only ceases upon withdrawal from a subject or course by the appropriate date. The only mechanisms to withdraw from a course or program of study are:

- withdrawal from a course using Enrolment Online, or
- lodgement of an approved *Enrolment Variation, Leave of Absence* or *Cancellation of Enrolment* form with RMIT University or RMIT Training

Failure to lodge the appropriate request before the semester financial penalty deadline will result in the tuition liability remaining and the appropriate debt recovery actions will be enforced.

3 Tuition fees

3.1 Annual fees

Program and course tuition fees for non-Commonwealth and non-State Government supported students who commence their program in 2010 are held constant only for 2010.

RMIT University reserves the right to annually adjust program tuition fees. Changes to program tuition fees will be applied at the beginning of each calendar year. In 2010, the annual tuition price increase is capped at 7.5%. For Higher Education fees, tuition fees are rounded up to the nearest $5.00 per credit point increment, and so the actual fee increase may exceed 7.5%. Similarly, for VET/TAFE students the program annual fees are rounded to the nearest $250, and so the actual fee increase may exceed 7.5%. This cap does not apply to full fee paying TAFE students.

Students who commenced their program in semester 2, 2003 or earlier (term 0350 or prior) will continue to be charged according to the terms and conditions existing at the time of their initial enrolment in that program. In other words, these student fees will continue to be "pipelined" for the duration of their continuous enrolment in the program they commenced in semester 2, 2003 or earlier.

3.1.1 Cohort pricing

Where the tuition fee for a given program exceeds the 7.5% cap on annual tuition price increases, students who are currently enrolled will be entitled to complete their tuition at their current fee rate (subject to annual indexing), whilst newly enrolling students will be charged at the new fee rate. The list of the average annual 2010 tuition fees for all local and international undergraduate and postgraduate full-fee paying programs in appendices 1 and 2 may therefore include two or more price streams for one program. Where this occurs the "program description" field will indicate the cohort by calendar year that corresponds to the annual fee price listed.

Save Date: 4/01/2010
Page 2

3.2 Standard or average load

Annual tuition fees are based upon standard or average load (total program load ÷ program duration) and normal progression, with pro-rata fees applying to non-standard loads.

The standard measure of a full-time student load in Higher Education is 48 credit points per semester. Unlike Higher Education, TAFE programs do not conform to a standard load per semester; the annual fees for TAFE programs are therefore based on a calculation of total program fees (at current year prices) divided by program duration.

TAFE tuition fees are configured at the level of nominal hours and students are therefore invoiced according to their enrolled load at the program price set for the corresponding calendar year. To illustrate, a program requiring 1,500 nominal hours over two (2) years may require students to undertake 700 nominal hours in the first year and the balance of 800 nominal hours in the second year. Assuming full time enrolment, the student will therefore be invoiced for 700 nominal hours in the first year at the fee set for that calendar year and 800 nominal hours for the second year at the new calendar year rate. The fee invoiced for each semester may also vary between semesters as the enrolment requirements in TAFE Programs varies between semesters.

Over the full duration of the program, the total program tuition fee will be the fee quoted (subject to annual adjustments). TAFE fees may be in excess of the total program tuition fees (including annual adjustments) if the student chooses non-standard electives or if a student enrols in subjects in addition to the normal program load.

3.3 Higher Education – Commonwealth Supported Place (CSP)

A Commonwealth Supported Place (CSP) is a Higher Education place which the Commonwealth Government makes a partial financial contribution. CSP students are required to pay the remaining cost of their place (called a student contribution) according to the units of study undertaken. CSP students may be eligible for HECS Higher Education Loan Programme (HECS-HELP) assistance to help them pay their student contribution amounts (see 3.3.3).

A student is a CSP student only if they have received confirmation from RMIT that they have been offered a Commonwealth Supported Place, and the student accepts that place.

Only students who meet citizenship requirements may be eligible for a CSP. That is, they are

• an Australian citizen;

• a New Zealand citizen who will be resident in Australia for the duration of their unit of study;

• the holder of a humanitarian visa who will be resident in Australia for the duration of their unit of study; or

• the holder of a permanent visa who will be resident in Australia for the duration of their unit of study.

The student contribution amount a student is liable for per course (subject) is based on the load of study and the discipline of each course (subject). Each discipline falls within one of five student contribution bands (detailed below).

Student contribution amounts are charged upon a semester basis. Each semester all CSP students are issued a Commonwealth Assistance Notice (CAN) after the published semester census date that details the student contribution amounts and any payments made for each enrolled course.

CSP students, if eligible for HELP (Higher Education Loan Programme) (see 3.3.2), have the following payment options:

• Make a full up-front payment of 80% of the student contribution amount for all of their units or courses and receive a 20% discount;

• Pay part of their student contribution amounts up-front, receive a 20% HECS-HELP discount for any payments totalling $500 or more, and obtain a loan for the remainder; or

• Obtain a loan for the full amount of their student contribution amount.

The Student Learning Entitlement (SLE), measured in equivalent full-time student load (EFTSL), gives a person access to a Commonwealth Supported Place. All CSP students are entitled to seven years of equivalent full-time study in a Commonwealth Supported Place.

The Australian Government's *Going to uni* website www.goingtouni.gov.au contains links to the Australian Government's *myUniAssist* website. Stage 1 of the *myUniAssist* website is designed to help students monitor their ordinary Student Learning Entitlement (SLE) and FEE-HELP balances. Later stages of the Australian Government's *myUniAssist* website will include students' scholarships and OS-HELP records, and the units of study for which students have incurred a HELP debt or used SLE.

3.3.1 Calculating the student contribution

CSP students are required to pay a student contribution amount that, depending upon eligibility, may be paid upfront or deferred through the HECS-HELP scheme.

The student contribution amount for a course is based on the student contribution band that the course falls within (see Table 1 below) and the EFTSL weight of the course as a proportion of a full-time standard load (i.e. student contribution band x EFTSL course weight).

The weight of courses is measured as a proportion of a full-time student load (1 EFTSL) and can also be measured in credit points. A full time load for Higher Education students at RMIT is equivalent to 96 credit points. Some programs, such as double degrees, may require the student to enrol in more than 96 credit points in some or all years of the program.

It is important to note that the student contribution bands are determined by the individual unit of study (which RMIT defines as a course), not the program or degree. That is, if a student enrols in a nursing course and an accounting course as part of a Bachelor of Nursing program, the nursing course will be charged in Band PN and the accounting course will be charged in Band 2.

More detailed information regarding calculation of student contribution amounts is provided on the RMIT website www.rmit.edu.au/programs/fees.

Table 1: Maximum student contribution amount by student contribution band - 2010

Student Contribution Band	Maximum student contribution amount for a place in 2010 (1 EFTSL or 96 credit points)
Band PM: National Priorities—Mathematics and Statistics	$4,249
Band PS: National Priorities—Science	$4,249
Band 1: (humanities, behavioural science, social studies, clinical psychology, foreign languages, visual and performing arts)	$5,310
Band 2: (computing, built environment, health, engineering surveying, agriculture)	$7,567
Band 3: (accounting, administration, economics, commerce, law, dentistry, medicine, veterinary sciences)	$8,859

Notes on Table 1:

National Priorities: The maximum student contribution amount for mathematics, statistics and science units of study for students commencing on or after 1 January 2009 is subject to an amendment to the Higher Education Support Act 2003. The maximum student contribution amount will also apply to continuing students who transfer to a Natural and Physical Sciences course of study from a non Natural and Physical Sciences course of study. The new reduced maximum student contribution amount is set at the national priority level of $4,249.

Pre-2009 students: For pre-2009 students, the maximum annual student contribution amount that may be charged for Mathematics, Statistics and Science units in 2010 is $7,567 (Band 2).

Pre-2010 students: From 1 January 2010, the maximum annual student contribution amount for Commonwealth supported students undertaking education and nursing units of study will be increased from the 'national priority' rate to the Band 1 rate.

For pre-2010 students, the maximum annual student contribution amount that may be charged for Education and Nursing is $4,249.

Save Date: 4/01/2010
Page 5

3.3.2 Pre-2008 students

As outlined in section 5.2 of the *Administrative Information for Higher Education Providers (effective from 1 January 2009)*, students who commenced from 1 January 2008 the contribution amounts for units of study in accounting, administration, economics and commerce were changed to the same maximum as applies under HESA for law, medicine, dentistry and veterinary science (or Band 3). Student who commenced prior to 2008 will continue to pay the previous maximum student contribution amount ($7,567 in 2010, or Band 2 indexed for later years) until the end of 2012. All students in these disciplines will be covered by the same maximum student contribution amounts in HESA from 2013.

Some pre-2005 HECS students (see section 3.3.3) who have not completed their course when the pre-2005 transitional arrangements finish at the end of 2008 may be eligible to continue under the pre-2008 provisions. However, a pre-2005 HECS student who did not undertake any CSP study between 1 January 2005 and 31 December 2007 are not pre-2008 student

A person is a pre-2008 student for a unit of study if:

- the person commenced a course of study with a provider before 1 January 2008 and was a Commonwealth supported student in relation to a unit of study in that course; and

- the person did not complete the course by 31 December 2007, or if they completed the course, it was:

  - an enabling course undertaken in 2007; or

  - the related course for an honours course of study and they are undertaking the honours course of study; and

- the period over which the person is undertaking the unit of study ends on or before 31 December 2012; and

- the person is not a pre-2005 HECS student in 2008 (see section 4.2); and

- the unit of study would have been in the accounting, administration, economics or commerce funding cluster repealed by Schedule 2 of the Higher Education Legislation Amendment (2007 Budget Measures) Act 2007.

To be a pre-2008 student there is no requirement that the course a student was undertaking as a Commonwealth supported student prior to 2008 was a course in accounting or related disciplines or that the student has undertaken units of study in accounting or related disciplines prior to 2008.

If a person meets the pre-2008 requirements for study undertaken after 1 January 2008 and then completes their course before the end of 2012, the pre-2008 arrangements still apply to that person for subsequent courses of study if they continue to meet the other pre-2008 requirements.

3.3.2.1   Pre-2008 students enrolled in double or combined degrees

- A student who is enrolled in a double or combined degree programme is a pre-2008 student if they completed the requirements of only one of the awards on or before 31 December 2007.

- A pre-2008 student enrolled in a single degree programme and who transfers subsequently to a combined or double degree programme remains a pre-2008 student even if they complete the requirements of one of the awards.

Further information is available from DEEWR's Administrative Information for Providers document AIP@deewr.gov.au

3.3.3 End of pre-2005 HECS Arrangements

As outlined in section 5.1 *Administrative Information for Higher Education Providers (effective from 1 January 2009)* all pre-2005 student arrangements have expired on 31 December 2008 regardless of whether a student has completed their program. Please note, students who began their course of study prior to 1 January 1997 and have not discontinued their study are included in the pre-2005 arrangements. Therefore, all pre-2005 students who have not completed their program as of 31 December 2008 will:

- no longer have access to the pre-2005 student contribution ranges. They will be subject to the student contribution ranges as those student who commend their study on or after 1 January 2005, and;

- will not be eligible for a HELP loan unless they are an Australian citizen or the holder of a permanent humanitarian visa. Students who are not eligible for HECS or FEE-HELP must pay their student contribution amount up-front in full by the advised financial deadline.

3.4 Higher Education Loan Programme (HELP)

Through the Higher Education Loan Programme (HELP), the Commonwealth lends eligible students money to pay for their Higher Education fees. HELP is administered under the *Higher Education Support Act* 2003 (HESA). While some information about HELP is provided in this document to assist students, a student's official reference for HELP is the Australian Government Department of Education, Employment and Workplace Relations (DEEWR) *Going to Uni* website at: www.goingtouni.gov.au and publications such as the *FEE-HELP information 2010* booklet and the *Information for Commonwealth supported students 2010* booklet. Changes may be made by the Government to the legislation for HELP at any time.

The Australian Government's *Going to uni* website www.goingtouni.gov.au contains links to the Australian Government's *myUniAssist* website. Stage 1 of the *myUniAssist* website is designed to help students monitor their ordinary SLE and FEE-HELP balances. Later stages of the Australian Government's *myUniAssist* website will include students' scholarships and OS-HELP records, and the units of study for which students have incurred a HELP debt or used SLE.

Should any inconsistencies between this document and the official Australian Government website arise, then the information contained on the Australian Government website prevails.

HELP loans provide eligible students with assistance to pay all or part of their tuition fees. The HELP loans available are as follows:

- **HECS-HELP** — for eligible students enrolled in Commonwealth supported places (CSP). HECS-HELP loans cover all or part of your student contribution.

- **FEE-HELP** — for eligible full-fee paying students. FEE-HELP is a loan that covers up to the full amount of your tuition fees. It is available to full-fee paying undergraduate and postgraduate coursework and research students. Undergraduate students are charged a 20% loan fee which will increase to 25% on 1 July 2010.

- **OS-HELP** — for eligible Commonwealth supported students who wish to study overseas. This loan is to assist with expenses such as accommodation and travel.

RMIT University

Financial Services

Status: FOR APPROVAL
Version: 1.0
DocRef: TRIM

Document: RMIT09-2010_SFC_1118.doc
Author: Business Advisory
Save Date: 4/01/2010
Page 7

- **VET FEE-HELP** —for eligible TAFE full-fee paying and State Government subsidised students. VET FEE-HELP is a loan that covers up to the full amount of your tuition fees and is available to students enrolled in accredited diploma, advanced diploma, vocational graduate certificate and vocational graduate diploma courses only.

3.4.1 Lifetime limits to HELP loans

Over a student's lifetime a FEE-HELP limit applies for access to a FEE-HELP or VET FEE-HELP loan. The FEE-HELP limit is indexed annually.   In 2010 the FEE-HELP limit is $106,328 for medicine, dentistry and veterinary science students and $85,062 for all other students. The FEE-HELP limit applies even if a person has partially or fully repaid their FEE-HELP or VET FEE-HELP debt.

HECS-HELP, FEE-HELP, OS-HELP and VET-HELP debts are treated as a single debt, which is known as the accumulated HELP debt. The options available for paying tuition fees or student contributions depend on the student's eligibility for a HELP loan. If the student has an approved loan you have the option to:

- pay the full tuition fee or student contribution up-front (Eligible Commonwealth supported students who make full up-front payments of 80% of the student contribution amount for all of their courses will receive a 20% discount.)

- pay some of the tuition fee or student contribution up-front and request a loan for the remainder of their tuition fees (Eligible Commonwealth supported students who pay part of their student contribution amounts up-front will receive a 20% discount for any payments totalling $500 or more, and obtain a loan for the remainder.)

- request a HELP loan for the full tuition fee or student contribution amount.

3.4.2 HELP loan repayments:

HELP debts are indexed on 1 June each year and repayments occur on one of two ways:

- **Compulsory payments through the Australian taxation system:** Students start repaying their HELP debt to the Federal Government through the Australian Taxation system once they reach the minimum income threshold level for repayment. The repayment thresholds are adjusted each year to reflect any changes in average weekly earnings.

- **Voluntary repayments to the Australian Taxation Office:** Students can make voluntary repayments to the Australian Taxation Office at any time and for any amount. Those who make a voluntary payment of $500 or more receive a bonus of 10% and their account is credited with an additional 10% of the payment. The bonus is 10% of the payment made not 10% of the outstanding debt.

3.4.3 Provision of a Tax File Number

If a student is applying for any kind of HELP loan for study at RMIT, they will need to supply a valid Tax File Number. If a Tax File Number is not supplied on of before the census date, the student will need to pay the student contribution or tuition fee in full on or before the census date.

If a CSP student does not pay the entire student contribution amount up-front and has not provided a Tax File Number on or before the census date, RMIT is required by federal government legislation to

RMIT University

Author: Business Advisory
Save Date: 4/01/2010
Page 8

cancel the student's enrolment as a CSP student. RMIT does not have any discretion with this matter and cannot accept an up-front payment after the census date.

3.4.4 Eligibility for HELP programs

To be eligible for HELP a student must be one of the following:

- an Australian citizen;

- a holder of a permanent humanitarian visa who will be resident in Australia for the duration of the unit;

- a holder of a permanent visa who is undertaking bridging study for overseas-trained professionals and will be resident in Australia for the duration of the unit.

3.4.5 Ineligibility for HELP programs

Other domestic students, such as New Zealand citizens and Australian permanent residents (other than holders of a permanent humanitarian visa), are not eligible for HELP. These students must pay their Student Contribution or Tuition Fee in full by the census date and are not eligible for a discount.

If a CSP student who is not eligible for HECS-HELP or VET-HELP assistance fails to pay their Student Contribution amount in full by the census date, RMIT is required by federal government legislation to cancel the student's enrolment as a CSP student. RMIT does not have any discretion with this matter and cannot accept an up-front payment after the census date.

3.5 Higher Education – domestic and international full fee paying

3.5.1 Program fees and charges

RMIT offers a number of undergraduate, research and postgraduate places to students that are not supported by the Commonwealth Government. The tuition fees for these programs are set on an annual basis and may be subject to change each calendar year.

Under HESA, the tuition fees for all Higher Education full-fee paying programs must be greater than or equal to the current year's maximum 'Student Contribution Amount' for the program; the fees for all of RMIT's domestic fee-paying programs have been set above the respective maximum student contribution amount. Appendix 1 provides a list of the average annual 2010 tuition fees for all local undergraduate and postgraduate full-fee paying programs.

3.5.2 Capping of research tuition fees

All students undertaking research programs at RMIT are levied tuition fees based on the nature of their program. Tuition fees for research programs with research EFTSL calculation have tuition fees capped at 48 credit points per semester for full-time students and 24 credit points per semester for part-time students, regardless of enrolled credit point load. This applies to domestic, international onshore and international offshore non-partner enrolments. Many research programs, typically those with a significant coursework component, have standard EFTSL calculation, not research EFTSL calculation. Tuition fees for research programs with standard EFTSL calculation are not capped.

Examples of research programs with research EFTSL calculation:

- MR082 Master of Applied Science
- DR003 Doctor of Philosophy

Examples of research programs with standard (not research) EFTSL calculation:

- DR060 Doctor of Project Management
- DR061 Doctor of Business Administration

3.5.3 Degree of Doctor of Philosophy by Publication

Fees have been set and configured on Peoplesoft for domestic full fee paying candidates enrolled in the degree of Doctor of Philosophy by Publication as outlined in Appendix 1 of this Schedule. In accordance with RMIT Council Regulation 5.1.9 sections 5 and 6, candidates for the degree of Doctor of Philosophy by Publication will normally be enrolled part-time for a duration of one year. As with section 3.5.2 above, the standard part time load for a research program is 24 credit points.

3.5.4 Changes to fee-paying domestic undergraduate places

Since 1 January 2009, fee paying domestic undergraduate places are being phased out of public universities.

Please note: Postgraduate programs are unaffected by this announcement and will continue to be offered to domestic students on a fee-paying basis.

New domestic students
In 2009, no full-fee places have been offered at RMIT University to new domestic students in undergraduate programs through VTAC (Victorian Tertiary Admission Centre).

Current fee-paying Australian students
Students who are a currently enrolled in full-fee Australian undergraduate places can continue to complete their degree as a full-fee student. RMIT University's scheme of allowing high achieving, full-fee paying, undergraduate students to transfer to CSP places is still in existence for any student who enrolled in 2008 or earlier (see 3.5.5).

Exemptions
There are some exemptions to the Government's prohibition on new full-fee undergraduate places which will affect a very small number of applicants and students. These include applicants who:

- have consumed all of their Student Learning Entitlement (SLE)
- are enrolling in a full-fee Spring or Summer School course
- are enrolling in a bridging course for overseas trained professionals
- are enrolling in a unit that forms part of a course of study that is subject to determination by the Minister specifying that a student cannot be enrolled as a Commonwealth supported student
- have commenced their course of study as an overseas student and become a domestic student part way through their course
- do not fall into the above categories but who wish to apply for a full-fee place

Such applicants are required to apply directly to RMIT's admissions for a full-fee place.

3.5.5 Transfer of domestic fee-paying students to Commonwealth Supported Places (CSP)

Students may be eligible to transfer from a domestic fee paying undergraduate place to CSP funded place in the same program if they meet the criteria for a Guaranteed Transfer or a Discretionary Transfer. The procedure for *Academic Merit-Based Transfer of Domestic Undergraduate Fee-Paying Students to Commonwealth Supported Places* can be located from the RMIT Policies and Procedures website www.rmit.edu.au/policies.

3.5.6 International onshore students

The Commonwealth does not contribute to educational costs for international students unless the students are in receipt of an International Postgraduate Research Scholarship. Furthermore, Commonwealth grant amounts provided to universities for the education of domestic students are not provided for the purpose of subsidising places or services for international students.

The fees charged to international onshore students must be greater than or equal to a minimum indicative fee specified by DEEWR. All RMIT fees have been set above these minimum requirements. Appendix 2 of this document lists the 2010 fees for international onshore students.

3.5.7 International off-shore students

RMIT University does not set fees for international off-shore students. All tuition fees and charges for international off-shore students are established by the relevant off-shore partner.

3.5.8 Change in citizenship or immigration status

International students who change residency during the course of their study, and become an Australian citizen or permanent resident, may be entitled to pay fees at the same rate as local fee-paying students (if they are not eligible for a Commonwealth Supported Place or Victorian government subsidised place in respect of TAFE students), provided they can show evidence that the change in citizenship or immigration status was granted by the applicable census date and the student submits a Change of Citizenship/Immigration Status form to RMIT by the same applicable census date. Please note, depending on the established fees for individual programs, changing citizenship or immigration status may not necessarily result in a reduction in fees.

3.6 TAFE – State Government Supported

3.6.1 TAFE *Securing Jobs for Your Future: Skills for Victoria*

The Victorian Government's *Securing Jobs for Your Future: Skills for Victoria* initiative took effect on 1 July 2009.

3.6.2 Eligibility criteria for government subsidised places

1. Citizenship
Students must be:

- An Australian citizen; or
- A permanent visa holder; or
- A special category visa holder (New Zealand); or
- An East Timorese asylum seeker or TPV holder.

2. Age
Students under 20 years of age are guaranteed a training place at any qualification level (i.e. Foundation Skills to Skills Deepening) even if they have a prior qualification. Students over 20 years of age are guaranteed a government subsidised place only in foundation skills qualifications.

3. Prior Qualifications
Students over 20 years of age, who enrol in a course that is accredited at a higher level than the highest Australian qualification that they hold, are eligible for a government subsidised place.

3.6.2.1   Productivity Places Program

In addition to the government subsidized places provided under section 3.6.2 above, funding has been made available through a partnership between the Commonwealth and State Governments for the *Productivity Places Program* for delivery of training in priority health related courses and in support of the New Enterprise Initiative Scheme (NEIS). RMIT has been allocated funding for the below courses:

Allied Health

Fundsource 21	C4215	Certificate IV in Allied Health Assistance
Fundsource 21	C4203	Certificate IV in Nursing
Fundsource 59	C4209	Certificate IV in Dental Health Assisting

NEIS

Fundsource 61	C4231	Certificate IV in Small Business

Fundsource 61 students are fully funded by the federal government and therefore pay no fees. Fundsources 21 and 59 are levied at the same rate as per other government supported students rates listed under section 3.6.3 below.

3.6.3 2010 TAFE tuition fees

In 2010 TAFE tuition fees depend on the program level or qualification level which have been categorized as follows: Foundation Skills, Skills Creation, Apprenticeships and Traineeships, Skills Building and Skills Deepening.

For study undertaken in 2010 the following tuition fees apply:

Level name	Program level	Fee per Nominal Hour	Student fee Minimum fee (concession rate)	Student fees Maximum fee (12 months)
Apprenticeships and Traineeships	various	$1.37	$57	$903
Foundation Skills	Foundation level and pre-accredited programs	$1.08	$50	$500
Skills Creation	Certificate I Certificate II	$1.40	$105	$875
Skills Building	Certificate III Certificate IV	$1.62	$120	$1,000
Skills Deepening	Diploma Advanced Diploma	$3.25	$225*	$2,000

Concession fees are no longer available at the Skills Deepening level, however indigenous students will only be charged the minimum fee of $225.
** The minimum fee refers to the minimum a TAFE enrolment costs regardless of the number of nominal hours enrolled.
*** As per section 3.6.3.2 below, regardless of nominal hours and combination of TAFE programs enrolled, in 2010 the annual maximum fee is $2000.

3.6.3.1   Calculating the TAFE student contribution for a program or course

TAFE fees for government subsidised places are calculated based on the nominal hours of enrolment. To calculate a student's tuition fees, multiply the total nominal hours for the course or program by the fees per nominal hour for the appropriate qualification level listed in the table above.

Maximum fee: tuition fees are "capped" at the maximum rate of the qualification level of the program enrolment.

Example 1: Tuition fee per nominal hour for one program

A student is enrolled in a Skills Building program with 400 nominal hours. The tuition fee per nominal hour for the Skills Building qualification is $1.62. Therefore, the tuition fee will be 400 x $1.62 = $648

RMIT University

Version: 1.0
DocRef: TRIM

Document: RMIT09-2010_SFC_1118.doc
Author: Business Advisory
Save Date: 4/01/2010
Page 13

Example 2: Tuition fee per nominal hour for multiple programs

A student is enrolled in a Foundation Skills program with 200 nominal hours and a Skills Creation program with 300 nominal hours. The fees per nominal hour for Foundation studies is $1.08 and the fees per nominal hour for Skills Creation is $1.40.

Therefore, the tuition fee will be

200 x $1.08 = $216 (Foundation Skills)

300 x $1.40 = $420 (Skills Creation)

Total fees: $216 + $420 = $636

Example 3: Tuition fee per nominal hour with maximum fee for qualification level

During the course of 2010, a student enrols in a Skills Creation program with 720 nominal hours. The fees per nominal hour for Skills Creation is $1.40 with a maximum fee of $875. Although 720 times $1.40 is $1,008, the tuition fee will be capped at the maximum fee of $875. Therefore the tuition fee will be: $875.

The full list of TAFE courses in 2010 with their nominal hours and the fee per course at each qualification level is available online: www.rmit.edu.au/programs/fees/tafe/2010

3.6.3.2   Overall annual maximum fee

As well as the maximum amounts at each qualification level there is also an overall annual maximum fee. At RMIT, the overall annual maximum fee regardless of how many TAFE programs a student enrols in and at what qualification level, the maximum will be charged in 2010 is $2,000.

Example: student's fees capped at the 2010 overall annual maximum fee

During the course of 2010, the student undertakes 720 hours of a Skills Building program ($1.62 per nominal hour) and 400 hours of a Skills Deepening program ($3.25 per nominal hour).

Based on their enrolled hours, the student is charged $1,000 (capped at the maximum rate) for their Skills Building enrolments and $1,300 for their Skills Deepening enrolments. With the overall annual maximum fee, the total tuition fee amount charged for the student's 2010 enrolments will be capped at $2,000.

3.6.3.3   Fee exemptions and concessions for students in government-subsidised places

Some students in government-subsidised places may be entitled to an exemption or concession on their tuition fees. This includes students with a Health Care Card or who receive government benefits through Centrelink. The concession rate for each program level is equivalent to the minimum fee rate for that level (except for the Skills Deepening level).

Applicants who believe they are eligible must submit an Application for Exemption/Concession form and provide supporting evidence of eligibility before an exemption or concession can be provided. Forms are available from and can be submitted to any campus Hub.

3.6.3.4   Skills Deepening (Diploma and Advanced Diploma) students

From 1 July 2009, Skills Deepening (Diploma and Advanced Diploma students) will no longer be eligible for TAFE fee concessions. However, Diploma and Advanced Diploma students may be eligible for the new VET FEE-HELP loan scheme to defer fees through the tax system (as per section 3.4 Higher Education Loan Program (HELP) of this schedule).

3.6.3.5   Tuition fees for Indigenous Students

The *Indigenous Completions Initiative* announced in 2004 has been extended to cover tuition fees for all enrolments of Indigenous students in 2010. Indigenous students who enrol in TAFE programs in 2010 are entitled to the minimum tuition fee amount at all program levels including the Skills Deepening level where no concession is available.

3.6.3.6   What about New Zealand citizens?

New Zealand citizens who are holders of a Special Category Visa* (subclass 444) are entitled to apply for a government subsidised place for TAFE programs. Their application will be subject to the same Skills Reform eligibility checks as local students.

A Special Category Visa (subclass 444) allows visa holders to live and work permanently in Australia so long as they remain citizens of New Zealand. New Zealand citizens are however not eligible for VET FEE-HELP (as per section 3.4.5 Ineligibility for HELP programs of this Schedule). For more information: www.rmit.edu.au/programs/fees/tafe/nz

3.6.3.7   Eligible Health Care Card Types and Pensioner Concession Card Types in 2010.

Except for the addition of two new concession types, the list of eligible Health Care Card types and Pensioner Concession card types remain largely unchanged with the introduction of the Skills Reform initiative.

Summary of Concession Card and Pension Card types

HC   Health Care Card holder (or dependent spouse or child of the holder)
PC   Pensioner Card holder (or dependent spouse or child of the holder)
PR   Prisoner
VC   Veterans Gold Card
OT   University discretion
ATSI   Aboriginal and Torres Strait Islander
JJ   Job Seeker with Concession
JK   Job Seeker without Concession

Card Type	Card Code	Payment/Program Name
PCC	AGE or AGE BLIND	Age Pension
PCC	BVA	Bereavement Allowance
PCC	CAR	Carer Payment
HCC	CD	Carer Allowance (child)
HCC	DR	Exceptional Circumstances Relief Payment
PCC	DSP	Disability Support Pension
PCC	DSP BLIND	Disability Support Pension (Blind)
HCC	FA	Family Tax Benefit (Part A)
HCC	FFR	Farm Help Income Support
HCC	FO	Foster Care
HCC	LI	Low Income Card
HCC	LI	Youth Allowance (students)
PCC	MAA	Mature Age Allowance
HCC	MO	Mobility Allowance
HCC	NS	Newstart Allowance
PCC	NSA	Newstart Allowance (long term income support recipients aged over 60)
HCC	PA	Partner Allowance
HCC	PP	Parenting Payment (Partnered)
PCC	PPP	Parenting Payment (Partnered) (long term income support recipients aged over 60)
PPC	PPS	Parenting Payment (Single)
PCC	PTA	Partner Allowance (long term income support recipients aged over 60)
HCC	SA	Sickness Allowance
PCC	SAL	Sickness Allowance (long term income support recipients aged over 60)
HCC	SL	Special Benefit
PCC	SPL	Special Benefit (long term income support recipients aged over 60)
HCC	WA	Widow Allowance
PCC	WDA	Widow Allowance (long term income support recipients aged over 60)
PCC	WFA,WFD or WFW	Wife Pension
PCC	WID	Widow B Pension
HCC	YA	Youth Allowance (unemployed)
PCC	YAL	Youth Allowance (jobseekers) who are; - single principal carers of dependent children, OR - those assessed as having a partial capacity to work
	JJ	Job Seeker with Concession
	JK	Job Seeker without Concession

3.6.3.8   Job seeker Concession

As a result of agreed funding arrangements between the Commonwealth Government and the Victorian Government, job seekers undertaking training at Certificate I through to Certificate IV level will not be required to pay tuition fees. Please note that this does not extend to any other fees (e.g. material fees). A category "JJ" or "JK" job seeker are defined as a person who is:

- registered with an Employment Services Provider (ESP) and/or
- a participant in the Community Development Employment Program and/or the Commonwealth's Access Program.

RMIT University

Status: FOR APPROVAL
Version: 1.0
DocRef: TRIM

Document: RMIT09-2010_SFC_1118.doc
Author: Business Advisory
Save Date: 4/01/2010
Page 16

Both "JJ" and "JK" categories have their tuition paid in full; their concession status is registered for reporting purposes. Enrolment will be subject to the availability of places and to the same eligibility requirements applicable to other enrolments. Job Seekers will be referred to training providers by an ESP – a Job Services Australia provider, or a Vocational Rehabilitation Service provider, or a Disability Employment Network provider. Access Program providers may also refer Job Seekers.

Job Seekers enrolling at RMIT will have a referral form from their Job Seeker's ESP agency which RMIT must return to the agency. Commonwealth Government ESPs are also responsible for assisting Job Seekers participating in training, so there may be further contact between them and RMIT University.

Two new concession codes have been created for this category:
JJ   Job Seeker with Concession
JK   Job Seeker without Concession

3.6.3.9   College Discretion (OT)

Authority to grant a college discretion concession is delegated to the Academic Registrar. RMIT is permitted to grant a concession on a tuition contribution where RMIT considers that its collection in full would impose extreme financial hardship. This may include a concession on, or exemption from, the minimum charge. If RMIT grants a concession on a tuition contribution, this is done using the TAFE waiver code "OT" on the Application for Exemption/Concession of TAFE Tuition Fees form. If RMIT grants an exemption from a tuition contribution, this is done by a waiver approved by the Academic Registrar.

3.6.4 Concessions for dependant spouse/child of card holder

For Commonwealth Health Care Cards and Pensioner Concession Cards concessions that apply to tuition fees apply equally to the holder of the card, their dependant spouse and/or child. Dependant child has the same meaning as in the Social Security Act 1991 of the Commonwealth.

3.6.5 Verification of exemptions and concessions – TAFE

Students are required to complete and lodge an *Application for Exemption/Concession of TAFE Tuition Fees* form to request a concession or exemption of fees. The basis of the exemption/concession should be clearly indicated on the form. Evidence is required from the student to substantiate the application for a concession and must be sighted by the enrolment officer.

3.6.6 Eligibility deadline for exemptions and concessions – TAFE

Concessional fees will only be applied during a semester if the eligibility conditions are met prior to census date per course. For Health Care Cards and Pensioner Concession Cards this is the card start date printed on the card. Any changes to your circumstances after the applicable census date will apply to the following semester of study. TAFE census dates are determined at the course level. Each TAFE course has its own census date that is determined by the month the course started in or the length of the course. Students can determine the appropriate census date for their course via their Enrolment Summary page in Enrolment Online. A full list of TAFE census dates is also available online: *www.rmit.edu.au/students/enrolment/tafecensusdates.*

Page 17

3.6.7 Deadline to apply for exemptions and concessions – TAFE

Whilst a student must be eligible (card start date printed on the card) on or before the census date, the *Application for Exemption/Concession of 2010 TAFE Tuition Fees* form can be submitted at any time during business hours in 2010.

Exception – students enrolled in November or December session classes have until early the following year to apply (November session students must apply by mid-February; December session students must apply by mid-March).

The deadline to apply for TAFE exemptions and concessions is separate from the TAFE eligibility deadline outlined under section 3.6.6 above.

3.6.8 Change in concession status

Concession fees will only be applied during a semester if the eligibility conditions are met prior to census date. Any changes in circumstance after census date will apply to the following semester of study. If a student was eligible for a minimum fee in semester one (e.g. Health Care Card), but their status changed in semester two and they were ineligible for the concession in that semester, the student would be charged the minimum fee the qualification level of their program in semester one, and up to the balance between the minimum fee and the maximum annual fee in semester 2. A Foundation Skills student would pay $50 in semester 1 and then depending on nominal student contact hours undertaken up to a maximum of $450 in semester 2 to bring the total to the maximum of $500 for the year.

3.6.9 East Timorese asylum seekers and Temporary Protection visa holders

Students who are East Timorese asylum seekers or Temporary Protection visa holders are entitled to apply for state government funded TAFE places (i.e. 'P' and 'L' profile).

3.6.10 Literacy and numeracy support for Victorian apprentices and trainees

As required by the Victorian Skills Commission's 2010 TAFE Program Delivery Guidelines, no tuition fees are charged for literacy and numeracy support for Victorian apprentices and trainees when that support is provided:

- because there is a discrepancy between the apprentice's/trainee's skills and the skills required to successfully undertake the approved training scheme, in accordance with the results of the Pre Training Review, and as required from time to time by the apprentice/trainee;

- for the purpose of obtaining the qualification named on the Training Contract within the term of the Training Contract.

At RMIT, literacy and numeracy support for apprentice and trainees is provided via concurrent enrolment in the C0020 Course in Applied Vocational Study Skills and the apprenticeship/traineeship.

Page 18

3.6.11 Apprentices and Trainees Interstate

For interstate apprenticeships a contract signed between RMIT and the interstate State Training Authority must be in place (NSW has its own procedure, see 3.7.5.1 below). The State Training Authorities provide their contract for RMIT to sign. Each apprentice must have a Training Contract signed by their employer that specifies the program and RMIT as the Registered Training Organisation (RTO). A form must also be completed to establish Mutual Recognition within 21 days of commencing delivery of the course. This Mutual Recognition process ensures that RMIT has approval to deliver the course and that it is recognised by the interstate State Training Authority. The funding arrangement for these programs are also determined in this process. More information is available from the RMIT Apprenticeship and traineeships website: www.rmit.edu.au/apps-trainees or the National Training Information Service: http://www.ntis.gov.au.

3.6.11.1 New South Wales Apprenticeships

NSW is different to other Australian states. The Victorian and New South Wales Governments, through their respective State Training Authorities, have a Memorandum of Understanding that enables apprentices from either state to freely enrol at a TAFE institute in Victoria or New South Wales. Again, it must be verified that RMIT has authority to deliver this training and that the apprenticeship offered is a designated trade listed on the NSW Vocational Training Order (VTO). The 2010 rate for NSW apprentices/trainees is equivalent to the TAFE State Government Supported rate of $1.37 per nominal hour, with a minimum of $57 and a maximum of $903 (see the table in section 3.6.3 of this schedule). More information is available from RMIT's Office of the Director of TAFE .

- RMIT fund source 52 - NSW Apprent & Trainee - User Choice - Direct Reporting

3.6.12 Fee Maintenance: students who commenced programs before 1 July 2009

In 2009, the Victorian government announced major changes to TAFE education under the *Securing Jobs for Your Future: Skills for Victoria* reforms which took effect from 1 July 2009.

In line with the Victorian Minister for Skills and Workforce Participation's 2009 Ministerial Directions on fees and charges, under the 'fee maintenance' scheme students who commenced their programs before 1 July 2009 are entitled to continue to be charged in accordance with the fee structure in place at the time of their initial enrolment in that program. This arrangement will remain in place until the student either complete their studies, withdraw from their program or until the deadline of 31 December 2012. Fee maintenance rates are subject to annual indexed increases as directed by Skills Victoria.

This policy does not apply to students who commenced a new program after 1 July 2009, see 3.6.1 *TAFE Securing Jobs for Your Future: Skills for Victoria above.*

3.6.12.1   2010 Fee Maintenance standard tuition fees and concession rates:

Standard tuition fees - Victorian government funded students	2010 fee per nominal Student Contact Hour	2010 Minimum year	2010 Maximum per year
Standard tuition fees (non-concession)	$1.40	$56	$896
Fee concessions and exemptions (eligible students must submit an application)			
Commonwealth health care card*	$1.40	$56	$56
Pensioner concession card*	$1.40	$56	$56
Veterans gold card	$1.40	$56	$56
Aboriginal and Torres Strait Islander	$1.40	$56	$56
Prisoners, persons on remand or attending a course as part of a non-custodial order	$1.40	$0	$0
Learning network	$1.40	$0	$0

*Concessions that apply to tuition fees apply equally to the holder of the card, their dependant spouse or child.

3.7 Recognition of Prior Learning (RPL) and Recognition of Current Competency (RCC)

In the TAFE sector it is possible for students to gain formal recognition of their current skills or to receive further training to update or improve their qualifications. RMIT offers two services under this scheme:

1. **Recognition of Prior Learning (RPL)** is a process through which people can gain entry to, or credit in, recognised courses based on competencies gained. The competencies may have been gained through experience in the workplace, in voluntary work, in social or domestic activities or through informal or formal training or other life experiences.

2. **Recognition of Current Competency (RCC)** applies if a client has previously successfully completed the requirements of a unit of competency or module and is now required to be reassessed to ensure that the competence is being maintained.

RPL and RCC do not include any additional training at the unit of competency or module level. If a unit of competency or module has any training activity associated with it then it is not classified as RPL or RCC. Depending on availability, students who require additional tuition before they can achieve recognition for their chosen program may be offered as state government subsidised program or enrol in a fee for service program.

At RMIT, RPL and RCC are offered as a separate mode of study which will be available for all TAFE courses based on nationally endorsed units of competency and State Accredited units/modules.

Page 20

3.7.1 TAFE RPL Fees for Government subsidised places

RPL is available as a study mode in all RMIT TAFE courses. Students can apply for RPL for all of the courses in their program of study, from a minimum of one course to a maximum of all courses in the program. In 2010 TAFE RPL fees depend on the program level of qualification which have been categorized as follows: Foundation Skills, Skills Creation, Apprenticeships and Traineeships, Skills Building and Skills Deepening.

For RPL undertaken in 2010 the following tuition fees will apply:

Level name	Program level	Fee per Nominal Hour	RPL fee Minimum fee (concession rate)	Maximum RPL fee (12 months)
Apprenticeships and Traineeships	Various	$1.37	$57	$903
Foundation Skills	Foundation level and pre-accredited programs	$1.08	$50	$500
Skills Creation	Certificate I Certificate II	$1.40	$105	$875
Skills Building	Certificate III Certificate IV	$1.62	$120	$1,000
Skills Deepening	Diploma Advanced Diploma	$3.25	$225*	$2,000

Concession fees are no longer available at the Skills Deepening level, however indigenous students will only be charged the minimum fee of $225.

Calculating the TAFE student contribution for an RPL program or course

TAFE fees for government subsidised places are calculated based on the nominal hours of your enrolment. To calculate your tuition fees, multiply the total nominal hours for your course or program by the fees per nominal hour for the appropriate qualification level listed in the table above.

Maximum fee: your RPL fees will "cap" at the maximum rate of the qualification level of the program enrolment.

Example 1: RPL fee for one course/unit of competency

A student enrolled in a Skills Deepening program applies for RPL in one course. The RPL fee per nominal hour for RPL in Skills Deepening qualifications is $3.25. The course has 60 nominal hours, therefore the RPL fee will be 60 x $3.35 = $201

Example 2: RPL fee for multiple courses in a qualification

A student enrolled in a Skills Deepening program applies for RPL in three courses: A, B, and C.

RMIT University

Financial Services

Status: FOR APPROVAL
Version: 1.0
DocRef: TRIM

Document: RMIT09-2010_SFC_1118.doc
Author: Business Advisory
Save Date: 4/01/2010
Page 21

Course A has 60 nominal hours; course B has 50 nominal hours and course C has 80 nominal hours a total of 190 nominal hours. Therefore the RPL fee will be 190x$3.35, a total RPL fee of $637

Example 3: RPL fee for all courses in a qualification.

A student enrolled in a Skills Deepening program with a total of 850 nominal hours and applies for RPL in all courses in the qualification.

Overall annual maximum RPL fee

In line with the provision for fee capping, the overall annual maximum RPL fee of $2,000 applies for RPL in this case.

3.7.2 RPL for TAFE full fee paying students

For non-government subsidised full fee paying students accessing VET Fee Help, RPL Fees are equivalent to the standard tuition fees for the course/s for which RPL is sought and can be calculated using the information on the RMIT TAFE full-fees website www.rmit.edu.au/programs/fees/tafe/fullfee.

3.7.3 Skills Stores

Skills Stores are a Victorian Government initiative which commenced operation in June 2007 and will remain in operation under Skills Victoria's *Securing Jobs for Your Future: Skills for Victoria* reforms. Skill Stores are located across five metropolitan and regional locations in Victoria. They provide advice to individuals seeking to gain formal recognition of their current skills or to receive further training to update or improve their qualifications. Skill Stores provide an initial skills profile and refer students to appropriate educational institutions for recognition of current skills and for further training. This referral service is free of charge to the student.

RMIT offers two services under this scheme:

- **Recognition of Prior Learning (RPL) Assessment** for students seeking to have their current skills tested and formally recognised.

- **Tuition for applicants who wish to upgrade their skills via a TAFE program**. Some students may require additional tuition before they can achieve recognition for their chosen program. Depending on availability, these programs may be offered as state government subsidised programs (as per 3.6.2 of this schedule) or as fee for service programs. All tuition fees will be invoiced to the student.

As part of the referral process the student is entitled to $250 towards their assessment and/or tuition which will be charged to the Skills Store responsible for the student's referral. This charge will appear as a Third Party Contract listed against the individual student's account.

Two new fundsources have been established for administering Skill Stores students:

- RMIT fund source 54 - Skills Store RPL Assessment - Government Funded
- RMIT fund source 55 - Skills Store RPL Assessment - Fee for Service

3.8 TAFE international and domestic full fee paying

3.8.1 TAFE international program fees

Appendix 2 of this document tabulates the 2010 tuition fees applicable to students studying under a student visa arrangement (classified as international onshore students).

3.8.1.1   Payment plans for TAFE international program fees

A student's nominal student contact hour enrolment in a TAFE program is not even between semesters. To reduce the financial impact of this differential enrolment load, students enrolled in a number of pre-identified programs will be entitled to a special payment plan, known as a 50/50 payment plan. Under the special 50/50 payment plan, a student's total enrolment for 2010 (aggregate of term 1 and term 2) will be split into two instalments. The first instalment will normally be due on 28 February 2010 and the second instalment will normally be due on 30 June 2010. However, these dates may vary from student to student depending on factors such as enrolment date.

- If a student's classes are all scheduled to finish in June 2010, no 50/50 payment plan is available.
- If a student's classes are all enrolled in term 1 2010 but are year-long classes scheduled to finish in November 2010, the 50/50 payment plan is available.

If a student commences mid-year 2010 and has year-long classes scheduled to finish mid-2011, the student may be considered for a standard payment plan upon application to the Hub. The placement of a student on to a payment plan does not change the refund rules or financial liability for an enrolment (refer section 10 Refund rules).

3.8.2 TAFE tuition fees for Australian Fee Paying Students

RMIT offers a number of places in TAFE programs on a full fee paying basis. Where students are ineligible for a state government supported place or who are repeating a government supported course may enrol as full fee paying students. Enrolments in a course or program as a domestic fee paying student are not eligible for the tuition contribution, concessions or exemptions outlined in section 3.6. Appendix 3 provides a list of the average annual 2010 tuition fees for all TAFE programs for Australian fee paying students.

3.8.3 2010 TAFE AFP fees for programs Cert IV and above

With the implementation of the *Securing Jobs for Your Future: Skills for Victoria* initiative all TAFE programs Cert IV and above have had AFP fees (fund source 3 & 7) set for 2010 (outlined in appendix 3) due to the expected increase in demand for fee paying places. The majority of these fees will be automatically configured on Peoplesoft and therefore remove the need to manually calculate and levy these fees.

4   Material fees

Material fees are additional fees associated with specific courses and programs offered by RMIT. These fees include associated field trips and goods or services which are used to produce items that become the physical property of students or lecture notes and reference materials. In most instances these charges are optional.

The fees approved for 2010 have been reviewed to ensure consistency with the above principles. Appendix 4 provides a list of the course (material) fees for 2010. Material fees are also published on the website http://www.rmit.edu.au/fs/fees/material.

4.1 Higher Education and TAFE sector

With the introduction of VET FEE-HELP, material fees for VET/TAFE courses are now required to be compliant with identical provisions to those that govern Higher Education under the Higher Education Support Act (HESA). The general principle governing material fees is that students must be able to complete their chosen award without paying additional course related charges. Therefore any fee or charge which is for compulsory or essential components of a course or its assessment and award are not compliant with the HESA and therefore are not be permitted at RMIT.

Schools are authorised to charge material fees if the charge falls under one of the following categories:

1. The fee is for a good or service that is not essential for the completion of the program/course.

2. The fee is for an alternative form or access of a good or service that is an essential component of a course or program, but is otherwise readily available at no additional charge from RMIT.

3. The fee is for an essential good or service that the student has the choice of acquiring from a supplier other than RMIT and is for:

    • Equipment or items that become the physical property of the student and that are not consumed during the course of study; or

    • Food, transport and accommodation costs associated with the provision of field trips.

5   Administrative fees

RMIT has a number of administrative fees to cover specific additional services provided to students. In addition, a number of fees have been approved that can be levied against a student's account as a fine or penalty when university regulations are broken, or borrowed goods are not returned. These fees are principally levied as a disincentive. Although the majority of fees and charges are levied via Peoplesoft for practical reasons some Administrative fees are levied outside of the Peoplesoft datasystem (ie. car parking fees and fines).

Appendix 5 details a full list of administrative fees and charges. Administrative fees are also published on the website http://www.rmit.edu.au/fs/fees/admin. For some administrative fees and charges, information about how they will be levied is noted below.

5.1 Service fees

5.1.1.1   School of Computer Science and Information Technology

The School of Computer Science and Information Technology charges a fee of $110 (ADM10) for recognition of prior industry experience (Exemption Challenge Test Fee).

5.2 Late enrolment fee

5.2.1 Higher Education sector

Students who enrol after their scheduled re-enrolment date may be charged a late enrolment fee.

Failure to enrol by scheduled time/date: Unless prior alternative arrangements have been negotiated with the relevant College/School, Higher Education students who fail to enrol by the specified time and date, and who subsequently receive approval to re-enrol late, will incur a late enrolment fee of $175.

The late resolution of any outstanding debts will not be considered as justification for waiving the late enrolment fee ($175). Appeals against the $175 late enrolment fee must be directed to the Academic Registrar in writing with documentary evidence (e.g. medical certificate) in support of the student's application. Detailed information is available at www.rmit.edu.au/students/enrolment/late.

ADM43 Late Enrol Fee – SEH (Science, Engineering and Health College)
ADM44 Late Enrol Fee – DSC (Design and Social Context College)
ADM46 Late Enrol Fee – BUS (Business College)

5.3 Fines and charges fees

5.3.1 Library loans

To ensure fair access to RMIT resources for all Library users, there are fines and penalties for the late return of items. Library users can help make the borrowing service work well for everyone by returning or renewing items by their due date.

When an item has not been returned, an invoice of $100 will be forwarded to cover the cost of replacing the item (AF1 Library Material Replacement), plus a replacement processing charge to a maximum of $25 (ADM16 Library Admin Fee) **per book** or item outstanding

If a library borrower does not renew or return the items by their due date:

- The library user's borrowing privileges will be suspended at all RMIT University Library sites, and as such, will not be able to renew, pick up holds or borrow from our Libraries.

- The library user will be fined $0.50 per item for each day the item is overdue (to a maximum of $25 per item) (ADM16 Library Admin Fee)

Long overdues:

If items become more than 49 days overdue the replacement cost of each will also be charged (AF1 Library Material Replacement). If the library user does return the items, the replacement cost will be waived but the library user will have to pay the fine (ADM16 Library Admin Fee).

Page 25

If the library user returns overdue items after being charged for them, the replacement cost of each item will be credited to the student's account. However, the late fines (ADM16 Library Admin Fee) are still incurred.

For more information, refer to www.rmit.edu.au/library/overdues

5.3.2 Identification name badges

The School of Medical Sciences will charge a fee of $10 (ADM17) for the provision of a student identification name badge to be worn during clinical placement and retained by the student.

5.3.3 TLD monitors and badges

The School of Medical Sciences will charge a fee of $100 (ADM54) if the student does not return their Thermo Luminescent Dosimeter (TLD) monitor and its accompanying badge (or card) by the date specified by the School.

5.3.4 Deposit for Access Cards

The School of Electrical and Computer Engineering (ADM115) and the School of Business (ADM123) charge a deposit of $50.00 for 24 hour building access cards. The deposit exists as a disincentive to students seeking replacement cards. The deposit is wholly refundable on return of the access card.

5.3.5 Late withdrawal from Vietnam tour

The School of Architecture and Design charges a fee of $200 (ADM125) for late withdrawal from the Building and Community Integrated Practice Studio Vietnam excursion after 31 October.

5.4 Car parking fees, parking fines and bicycle lockers

5.4.1 Parking fees for Bundoora and Brunswick campuses

The following fees apply for annual parking permits, half year parking permits and daily parking fees for students at the Bundoora and Brunswick campuses:

Location	Annual Parking Permit	Half Year Parking Permit	Daily Parking Permit
Brunswick	QP7 $80.00	QP9 $40.00	ADM21 $3.00 per 5 hours
Bundoora	QP6 $80.00	QP8 $40.00	ADM20 $3.00 per day

5.4.2 Parking fines

The Victorian Government under the Road Safety Act 1986 and Road Rules Regulations 1999 has authorised RMIT to issue parking infringement notices for the following amounts and infringements.

Prescribed Penalty	Infringement
$23 QP10	• For period longer than indicated • Fail to pay fee and obey instructions on sign/meter/ticket etc. • Contrary to requirement of parking area • Not within a parking bay • Not completely within a parking bay • In no parking area
$70 QP11	• On a marked foot crossing • Within 10m before marked foot crossing • Within 3m after marked foot crossing • In a bus zone • Double parked • On a bus stop • Within 20m before a bus stop • Within 10m after a bus stop • On a footpath • Within 20m of intersection with traffic lights • Across driveway or other way of access • Not parallel to far left side of two-way road • Unreasonably obstructing the path of vehicles • Obstruct access to footpath
$117 QP12	• In a loading zone • In a loading zone longer than indicated • In a no stopping area • On a pedestrian crossing • Within 20m before pedestrian crossing • Within 10m after pedestrian crossing • In a parking area for people with disabilities • Within 10m of intersection • Within an intersection • Disobey direction to move vehicle from parking area for people with disabilities

5.4.3 Bicycle enclosure access (City campus)

Students requiring access to the security bicycle enclosure located in Building 51 will be required to purchase an access card at a cost of $20.00 (ADM68).

5.5 Special administrative services

Enrolled students of RMIT will receive administration services (such as, confirmation of enrolment, liability statements) without charge for details of their current enrolment, and will receive other administration services without charge (such as an award transcript after conferral of an award). The additional special services listed in this section may be provided on application and payment of the fee prescribed.

5.5.3 Purchase of academic dress

Through an external supplier, RMIT is able to offer students academic dress at cost price. Below are the 2010 prices for purchase of academic dress.

ADM59 Purchase of TAFE academic dress	$150
ADM58 Purchase of undergraduate academic dress	$160
ADM57 Purchase of Graduate Certificate or Graduate Diploma academic dress	$170
ADM121 Purchase of Masters academic dress	$180
ADM119 Purchase of PhD academic dress	$250
ADM122 Purchase of Doctorate academic dress	$350

5.5.4 Hire of academic dress

Students may wish to hire academic dress other than for the graduation ceremony, with the corresponding charges noted below. All enquiries for the hire of academic dress should be made with the Office of the Academic Registrar, Student Centre, Exams and Graduations Branch.

ADM55 Hire of Academic Dress (Melbourne)	$60
ADM42 Fee for non return of Academic Dress (Melbourne)	$165

5.5.5 Administrative fees applying to international full fee paying students

A non-refundable application fee (ADM14) is payable by all International students who apply to undertake an RMIT program. In addition, an International student may request an additional administrative service of an airport pick up (ADM12) or home stay placement (ADM11) on their arrival in Melbourne.

These and other special administrative charges for international students are noted in the following table:

ADM14 Application fee on each international student application: A non-refundable application fee payment, applies to all new applications, except for applicants who are only applying for English language programs. If English language applicants also apply for additional non-English programs they must pay the application fee.	$70
ADM15 Transfer or withdrawal from program	$500
ADM12 Airport Pick Up Airport Pickup service (for students only studying ELICOS). Note: $60 is charged (by Quick Post) to students who request the airport pickup service but do not use	$80

5.5.5.1   Overseas Student Health Cover (OSHC)

Overseas Student Health Cover (OSHC) helps pay for student medical and hospital care whilst studying in Australia. Additionally it will contribute toward the cost of most prescription pharmaceuticals and emergency ambulance transport. OSHC fees are administered by RMIT International and the fees are forwarded to Medibank Private. A card is provided to students upon payment of their OSHC fee. Students must pay for at least one year's cover if the length of their program is one year or longer. If their program will be completed in less than one year students will pay less. Students will not be eligible for a student visa until they pay the OSHC . Dependents of students will also require OSHC .

The cost of the first 12 months of health cover is included in the fees stated on all international students' letter of offer. After this initial payment, students are responsible for paying annual renewals directly to Medibank Private or to RMIT International. OSHC must be paid every 12 months for the length of the student's program. Students are also permitted to pay OSHC for the full period of their visa. More information is available online: www.rmit.edu.au/programs/applications/health.

Medibank Private fees for students from1 January 2010

Cover for	Student only	Student and family
Quarterly	A$97.20	A$194.40
Half yearly	A$194.40	A$388.80
9 months	A$291.60	A$583.20
Annual	A$388.80	A$777.60

5.6 Administrative fees applying to Open Universities Australia (OUA) students

RMIT offers a select number of courses and programs through OUA, formerly known as Open Learning Australia (OLA). OUA is a collaboration of seven Australian Universities, including RMIT, and its programs are developed by 15 academic providers. OUA courses studied at RMIT may lead to either a RMIT or partner University qualification, with the RMIT award identical to those awarded to non-OUA students at RMIT. For more information about OUA please visit its website: www.open.edu.au.

OUA students are charged tuition fees directly by OUA, not RMIT. RMIT charges fees to OUA students directly for additional services provided to OUA students. RMIT also charges a deferral fee directly to OUA students. The following fees are applicable for the 2010 year:

ADM77 OUA - Graduation Fee	$150
OUA - Deferral Fee (ADM78 BUS, ADM79 SEH, ADM80 DSC)	$50
OUA - Degree Registration Fee (ADM81 BUS, ADM82 SEH, ADM83 DSC)	$100
OUA - Credit Transfer Fee (ADM84 BUS, ADM85 SEH, ADM86 DSC)	$50

5.7 Other administrative fees

ADM75 Late withdrawal from Business Globalisation Tour. Withdrawal after 1 April for Canada tour in July. Withdrawal after 1 August for China/Vietnam/USA tours in November. (School of Business Information Technology)	$250
ADM76 Late withdrawal from Business Globalisation Tour after 30 Sept (School of Economics, Finance & Marketing)	$250
ADM124 Late withdrawal from Business Globalisation Tour (Thailand) after 14 November (School of Accounting and Law)	$250

6 Debtors – overdue balance and penalties

Students who have failed to pay all or part of any RMIT approved charge may not be permitted to re-enrol, enrol in other programs, participate in graduation ceremonies or to receive an award, until the debt is cleared. International students who fail to pay their fees may have their enrolment cancelled and the cancellation will be reported to the Department of Immigration and Citizenship.

RMIT reserves the right to provide student details to an external agent for the purpose of collecting any debts. Any additional costs associated with this process are payable by the student.

6.1 Fees for late payment

6.1.1 Overdue charges penalty

Students are invoiced on a monthly basis. Invoiced fees must be paid in full by the due date as prescribed on the invoice. If a student's fees and charges have not been paid by the invoice due date, an overdue charges penalty (QP14) of up to $250 may be charged in line with the standard penalty fee charged by Australian universities.

The overdue charges penalty applies to all types of RMIT fees and charges, except for those listed in section 6.1.1.2 Exceptions.

6.1.1.1   Instalment (payment plan) default

Where a student has entered into an arrangement with the University to repay a student loan or to pay their financial liability over a period of time by instalment and the student fails to honour this arrangement, an overdue charges penalty (QP14) may be applied for each instalment that is not paid when due, and a Negative Service Indicator (see 6.2) may be applied against their account.

6.1.1.2   Exceptions

This penalty does not apply to Higher Education Commonwealth Student Contribution (which cannot be overdue).

6.2 Negative service indicators

Students whose outstanding financial obligation is overdue by a period exceeding 14 days may have a "Payment Overdue" negative service indicator (NSI) applied against their account. A negative service indicator may limit the student's access to library and computer services along with preventing a student from graduating or re-enrolling. It is important therefore that students contact staff in the Hub promptly if they believe their invoice or account is incorrect to ensure the NSI is not activated.

6.3 Re-introduction of compulsory non-academic fees

In November 2008, the federal government announced its intention to allow Universities to charge a compulsory non-academic Service and Amenities fee to fund student support services. The announcement indicated that universities would be able to charge students a compulsory fee of up to $250 per year with the option of deferring the fee to a HECS-style loan scheme. A protracted Senate Inquiry into the Higher Education Legislation Amendment (Student Services and Amenities, and Other Measures) Bill 2009 commenced in March 2009. The outcome of that inquiry may enable the introduction of the fee in semester 2, 2010. This schedule will be amended following the passage of further legislation.

7 Payment of fees and charges

7.1 Domestic and international - payment methods

Invoices are issued online via the Enrolment Online site and a notification email is sent to the student's RMIT email account when the invoice is ready to view.

7.2 Australia Post

Make payment in person at any Post Office, by phone on 13 18 16, or online at postbillpay.com.au

In person at any Post Office: cheque, money order, cash or giroPost withdrawal.

By phone on 13 18 16: credit card (MasterCard, Visa or Bankcard), or your registered cheque or savings account.

Online at postbillpay.com.au: credit card (MasterCard, Visa or Bankcard) or your registered cheque or savings account.

7.3 BPAY

Contact your participating financial institution to make payments from your cheque account, savings account or credit card. Please quote RMIT's Biller Code (24364) and your student account ID number (SAIN) (listed on the top right corner of your invoice). Check the BPAY site http://www.bpay.com.au for more information.

7.4 BPOINT

7.4.1 BPOINT: Internet

Payment online by credit card

To make a payment from your VISA or MasterCard using BPOINT visit www.bpoint.com.au/payments. Please quote Biller Code (24364) and your SAIN number as the reference number.

7.4.2 BPOINT: Phone

Payment by phone using credit card

To make a phone payment using BPOINT call 1300 276 468 within Australia and follow the prompts. Please quote Biller Code (24364) and your SAIN number as the reference number.

7.5 Payment by mail

Make your cheque or money order payable to RMIT University and write your name, student number, student account ID number (SAIN) and address on the back of the cheque.

Please make sure that you allow sufficient time for payments to be sent and received by the due date listed on the invoice. Postal delays will not be accepted as an excuse for non payment.

Please note: RMIT University is unable to accept personal cheques from international banks.

7.6 Payment in person at the university

Payment in Person at the University: RMIT accepts payment by credit card, EFTPOS, cheque or money order. RMIT does not accept cash. Present the Tax Invoice at one of the following venues. Open: Monday to Friday 9am to 5pm.

City Campus:	The Hub, Building 12 Level 4, 360 Swanston Street Building 108, Level 4, 239 Bourke Street Carlton Hub, Building 57, Level 4, Lygon Street, Carlton
Brunswick Campus:	The Hub, Building 514, Level 2, Room 8, 25 Dawson Street, Brunswick
Bundoora West Campus:	The Hub, Building 202, Level 2, Room 36, Plenty Rd, Bundoora
Bundoora East Campus:	The Hub, Building 254, Ground Floor, Plenty Rd, Bundoora

7.7 International only - payment methods

7.7.1 Bank draft

Bank drafts should be made payable to **RMIT University** in Australian dollars and forwarded to the following mailing address:

Mail Payments to: RMIT (Student Fees),
                           PO Box 12014,
                           A'Beckett Street,
                           Melbourne, Victoria, 8006.

7.7.2 Telegraphic transfer

Telegraphic transfers will only be accepted from **commencing** students from those countries where other payment methods are **not** available. Due to problems with identifying the student making the payment, students should only use telegraphic transfer if no other payment option is available.

The following Bank details are to be used to make student account payments by Telegraphic Transfer:

(Name of Account) Payee: RMIT University
(Name of Bank) Bank: Commonwealth Bank of Australia
(Location of Branch) Branch: RMIT - Melbourne, Victoria 3000 Australia
(Number of Branch) BSB No.:   063-262
(Number of Account) Account No.: 10006849

In addition to making the payment, the student **must** fax a copy of the telegraphic transfer marked to the attention of: The Banking Officer (fax: +61 3 9663 6925) and the following information must be included:

RMIT University

Financial Services

Status: FOR APPROVAL
Version: 1.0
DocRef: TRIM

Page 34

- Student Account ID Number (SAIN) (if known by the student)
- Student number (if known)
- File Ref No (from offer or acceptance letter)
- Student name
- The program name and its RMIT code.

It is important to provide this information to enable RMIT's Banking Officer to receipt a telegraphic transfer and apply it to the correct student account. Failure to provide the information noted above could cause a delay in crediting a payment to the student's account, which may delay or prevent enrolment.

Students are required to make all payments in Australian dollar currency only and are responsible for any bank charges that originate from their bank or financial institution. Students must determine any fees chargeable by their bank or financial institution and ensure these are paid direct as only the net proceeds remitted will be credited to the student's account.

7.8 Allocation of payments

Payment of fees and charges is automatically allocated to the oldest outstanding charge within a student's account (determined by system determined due date, rather than billing date). Partial-upfront payments of student contributions for Commonwealth-supported students are allocated in class number order.

8   Discounts, fee waivers and partial scholarships

The Higher Education Support Act (2003) does **not** permit universities to apply discounts or waive tuition fees for fee-paying students. The only exception to this requirement is in the instance of local Research students who may be on a HECS-exemption scholarship funded by DEEWR's Research Training Scheme. However, universities may award fee-paying students a scholarship to pay all or part of their tuition fees.

8.1 Authorisation/approval of partial scholarships

Applications for a partial scholarship are only permissible if the *Tuition Fee Partial Scholarship* form is completed, approved and signed-off by the Head of School (funding the scholarship) and approved by the Pro Vice-Chancellor of the relevant College. Partial scholarships can be granted on the basis of compassionate, marketing, staff and other grounds. More information on partial scholarships is available online: www.rmit.edu.au/fs/studentfees/partial_scholarships.

9 Scholarships

A wide range of scholarships are available to assist students while undertaking study at RMIT. Many of these have been established to provide assistance to students in specific circumstances. The following provides a brief summary of some of the scholarships available to students at RMIT:

- RMIT Equity Scholarships are available to local undergraduate students *facing financial difficulties in completing their studies.* RMIT Equity Scholarships include:

  - ➢ Commonwealth Learning Scholarships (for general education costs);

  - ➢ Commonwealth Accommodation Scholarships (scholarships for accommodation and other costs for students from rural areas)

  - ➢ RMIT Equity Fee Scholarships (to cover HECS costs) and RMIT Student Support (general education costs).

- RMIT Union Scholarships are available to international and local students in TAFE, and to international students in undergraduate degree programs, who are *facing financial difficulties in completing their studies.*

- Rural grants are available to students with a *farming background* to assist in completing their educational program at RMIT. The fund recognises the particular difficulties faced by students from country areas *from farming families.* Grants are made for educational expenses and for living and transport costs, and can be up to $5,000 per grantee.

Other Scholarships may become available throughout the year, so it is a good idea to bookmark the scholarships website and keep an eye on upcoming Scholarships and Grants.

For further information, please contact the Scholarships Office or visit the website www.rmit.edu.au/students/scholarships.

9.1 International Scholarship Program

The University's International Scholarship Program (ISP) provides a range of opportunities for current and commencing students. The ISP allocation includes tuition fee scholarships and living expenses. New scholarships will also be awarded to students, generally for the duration of the program study. For more information refer to the website: www.rmit.edu.au/international/scholarships

- ISP provides a range of opportunities for current and commencing *international students undertaking a Masters or PhD by Research*. These include scholarships to assist students with tuition fees and living expenses. DEEWR funds the tuition fee and Overseas Student Health Cover components of the International Postgraduate Research Scholarships and RMIT provides a living allowance. The RMIT University International Scholarships are fully funded by RMIT covering the tuition fees, health cover and living allowance.

- ISP also has a Special Financial Assistance Fund to provide tuition relief of up to $2,000 to international students experiencing financial difficulty in their final year (undergraduate) or semester (TAFE and postgraduate) of their program.

- A variety of scholarships and grants are available for RMIT students undertaking *study overseas*. These include the RMIT Travel Grants and University Mobility in the Asia Pacific program (funded

through DEEWR to successful projects). Funding opportunities available through RMIT on behalf of other organisations include the Australian - American Fulbright Commission (research funding opportunities) and the Endeavour Program Awards.

In addition to the ISP, RMIT will also host AusAID funded students through the Australian Partnership Scholarships, Australian Development Scholarships and Australian Leadership Awards programs.

9.2   Postgraduate research scholarships

- Australian Postgraduate Awards (APA) is scholarships available to local *postgraduate research* students. Australian Postgraduate Awards are funded by the Commonwealth Government and are awarded to individuals undertaking a research Masters or Doctoral degree on the basis of academic excellence and research potential. All award holders are allocated a government funded Research Training Scheme (RTS) and are exempt from HECS charges. The stipend rate for 2010 is $22,500 for full time students and $12,176 for part time per annum. Applications for 2010 are now closed. More information on APAs are available for the RMIT Research website: www.rmit.edu.au/research/apa or the Commonwealth Department of Innovation Industry Science and Research www.innovation.gov.au/Section/Research/Pages/australian_postgraduate_awards_scheme.aspx

- Some schools at RMIT offer fee waiver and stipend scholarships. Contact the research administration officer in the school for further information.

10   Refund rules

10.1   RMIT University refunds

The refund rules for RMIT observe the ESOS (Education Services for Overseas Students) Act 2000 and Regulations 2001, the Higher Education Support Act 2003 including Schedule 1A VET FEE-HELP Assistance Scheme and are in accordance with Ministerial Directives from Skills Victoria. These rules apply equally to all new and re-enrolling students unless otherwise stated. These rules are based on the following assumptions:

- The funds for the refund must be available (cheques are cleared, telegraphic transfers have been received); and

- Any fines or other incidental fees incurred during enrolment or engagement with RMIT must be paid in full.

- The acceptance of the refund rules, and the availability of complaints and appeals processes, does not remove the right of the student to take action under Australia's consumer protection laws.1

10.1.1   Refund application process

Students who lodge their application to withdraw on or before the census date for a course or VET unit of study will be withdrawn or granted a deferral without penalty and will not incur a HELP debt for that course or VET unit of study. Local or re-enrolling international students who have paid their fees up-front and wish to have their tuition fees refunded must do so by lodging an **Application for Refund of Fees** (see supporting documents and information tab on the web page, URL:

Page 37

http://www.rmit.edu.au/policies/refunds) and supporting documentation at one of RMIT's Student Hubs (this form can be obtained from the Hub).

A commencing international student must lodge an **Application for Refund form for International Students** (see supporting documents and information tab on this web page) at International Services.

If a refund is to be provided to a third party, this must be specified in or with the student's application. Enrolled international students must also submit an authorised **Leave of Absence, Cancellation of Enrolment or Change of Program for International Students** form, with supporting documentation. International students who are not in Australia must lodge an **Application for Refund form for International Students** (see supporting documents and information tab on this web page) with International Services.

10.1.2   Payment of refund

Applications for refunds take 2 - 3 weeks to process (earlier, if specifically required by legislation). Refunds must be requested in writing under the applicant's signature, and supported by production of a valid offer letter. Where a sponsoring body or scholarship agency pays the student's fees, any refund will be paid to that sponsoring body or scholarship agency.

 To obtain their refund students have one of two options:

1. The most secure and efficient method is via direct credit to the nominated student bank account (or that of an alternative party if the student's fee liability was assumed by the party).

2. Alternatively an Australian dollar cheque may be drawn against the name of the student account and sent to the student's registered address, (or that of an alternative party if the student's fee liability was assumed by the party).

10.1.3   Recognition of Prior Learning (RPL) in TAFE

Students who have applied for and gained "Recognition of Prior Learning" for an enrolled VET course or unit of study will be credited the tuition fee paid for this course.

RPL applications must be submitted on a **Recognition of Prior Learning (RPL) Application Form** to the relevant School's Student Administration Area before the program census date in a student's first semester of study at RMIT.

10.1.4   Definition of returning and commencing Students

For the purposes of these rules, a student is defined as a commencing student if they are enrolling in a particular program for the first time with RMIT or, in the case of offshore students articulating to onshore, when they commence their studies in Australia.

A student is defined as a returning student if they are re-enrolling in a program in which they have already undertaken study at RMIT.

10.1.5   Refunds for domestic students and returning international students

This section outlines the refund rules that apply to all domestic students, and to returning international students. (The next section 11.1.6 outlines the refund rules for commencing international students.)

Census date

Page 38

The census date is a predetermined date for a course or VET unit of study. Students who lodge their application to withdraw on or before the census date for a course or VET unit of study will be withdrawn or granted a deferral without penalty. All associated tuition fees will be refunded in full. Students who withdraw from either a Higher Education course or VET unit of study on or before the census date will not incur a HELP debt for that course or VET unit of study. Compliance with this deadline is necessary for RMIT's funding and legislative reporting. Accordingly, any enrolment changes following the relevant census date will not change the financial status of a student's enrolment except where the student has lodged a successful application for re-crediting a FEE-HELP balance.

RMIT publishes the census dates on the website: www.rmit.edu.au/students/importantdates

The following table sets out the census dates for the 2010 academic year:

	Summer semester	Semester 1	Semester 2	Spring semester
HE – all cohorts	9 February	31 March	31 August	19 December
VET – domestic and international (including VCE) For VET units of study in VET FEE-HELP enabled programs, the census date is set no earlier than 20% of the way through the unit of study	N/A	31 March	31 August	19 December
VET – Rolling enrolments in non-standard terms (domestic and international)[2]	N/A	30 days after the end of the month that the class commenced	30 days after the end of the month that the class commenced	30 days after the end of the month that the class commenced
Foundation studies	N/A	28 days after classes commence	28 days after classes commence	28 days after classes commence
VET short courses – full-fee paying	Check with School teaching the course prior to enrolling.	Check with School teaching the course prior to enrolling.	Check with School teaching the course prior to enrolling.	Check with School teaching the course prior to enrolling.
ELICOS	Refer to section 11.2 RMIT English Worldwide Refunds.	Refer to section 11.2 RMIT English Worldwide Refunds.	Refer to section 11.2 RMIT English Worldwide Refunds.	Refer to section 11.2 RMIT English Worldwide Refunds.

Refund calculation

Tuition fees are calculated according to a student's enrolled load. The following table lists the refund a student is entitled to before and after the census date:

Payment of upfront contribution

If a student is enrolled within a Commonwealth supported place and elects to make an up-front payment in excess of the 80% of the prevailing tuition fees, a refund will be made for the excess.

Withdrawal from a program or course at RMIT on or before census date, resulting in a credit within a student account from the up-front contribution will initiate a refund of the excess amount.

Re-crediting of FEE-HELP Balance and Student Learning Entitlement (SLE) – Higher Education

In special circumstances, CSP students who withdraw from their studies (including work experience in industry) after a census date may apply to have their FEE-HELP balance and SLE re-credited. Upon approval of the application, the deferred debt under HECS-HELP is deemed to have been remitted and any up-front payments of the student's contribution amount will be refunded.

Re-crediting of FEE HELP Balance – VET FEE HELP enabled Programs

Where a student has been prevented from completing or withdrawing from a course or VET unit/s of study in a FEE HELP enabled program due to special circumstances which do not make their full impact until on or after the Census Date, he/she can apply to have his/her FEE-HELP balance re-credited and for the refund of all upfront tuition fees. Upon approval of the application, the deferred debt under FEE HELP is deemed to have been remitted and any up-front payments of the student's contribution amount will be refunded.

10.1.6 Refund rules for International Students

International students granted a payment plan for their current semester who then withdraw after the census date in their current semester, are not eligible for a refund of tuition or student union fees for that semester. In addition, students will remain liable for any amounts unpaid.

Withdrawal from a program following census date, due to exceptional circumstances may be accepted as grounds for a full or partial refund of any pre-paid tuition fee, subject to the provision of acceptable documentary evidence, at the discretion of the Pro Vice Chancellor (Students).

No refund will be granted if an international onshore student has their visa cancelled by the Department of Immigration and Citizenship (DIAC) for a breach of visa conditions. No refund will be granted if an international onshore student is suspended or excluded from RMIT University due to misconduct.

Student visa

RMIT will report all international students who do not have a current enrolment to the Department of Immigration and Citizenship (DIAC). Student visas may be terminated based on this information. If a visa extension is refused, students will incur an administration fee of AU$500.

Permanent residency

International students who are granted permanent residency will be eligible for a refund of all international tuition fees if Permanent Residency Status is granted by the applicable census date and the student submits a Change of Citizenship/Immigration Status form to RMIT by the same applicable census date. Students granted a domestic full fee paying or Commonwealth Supported Place may

Document: RMIT09-2010_SFC_1118.doc
Author: Business Advisory
Save Date: 4/01/2010
Page 41

have their pre-paid fees credited to their account. An AU$500 Administration fee may be charged to cover educational representative fees.

International students who are granted Permanent Residency after the applicable census date will not be entitled to a refund for the current semester. International tuition fees paid for future semesters will be refunded 100%. An AU$500 Administration fee may be charged to cover educational representative fees.

A student whose residency status changes, must inform RMIT of the change by the applicable census date through the lodgement of a Change of Citizenship / Immigration Status form at a Hub location, to ensure their status is amended within the University's student administration database.

Refunds for commencing international students

By accepting a full fee international student place at RMIT, an international student enters into an agreement with RMIT for a study program.[5] This agreement is for the period of the expected duration of the student's program, or duration of programs, for an offer of more than one program. This agreement means there is an obligation on the student's behalf to pay the published program fees throughout the student's enrolment.

The following table details the standard refund rules that apply to commencing international students:

	1	2	3	4	5
Refund Category[6]	Specific Grounds that meet eligibility for a full refund. (*See note 1*)	Student withdraws acceptance more than 4 weeks before program commencement date	Student applies for a refund less than 4 weeks before program commencement date	Student applies for a refund within 4 weeks after program commencement date	Student applies for a refund more than 4 weeks after program commencement date, OR visa cancelled.
Refund Amount	100% refund of monies paid. An administration fee of $500 may be charged.	100% refund of monies. An administration fee of $500 may be charged.	Monies paid less 50% of standard deposit.	Monies paid less 50% of first semester program tuition fee	No refund

Notes:
1. Categories for full refund are:

- Australian Government has refused to grant initial visa for study in Australia prior to entry;
- The offer of a place is withdrawn because conditions within the offer letter have not been met. If the offer was made on the basis of incorrect or incomplete information being supplied by the applicant or student, students may be charged an AU$500 administration fee.
- RMIT is unable to provide the program or the program does not start on the agreed start date. The administration fee will not be charged. Refunds will be paid in accordance with the provisions of the ESOS Act 2000 and the ESOS Regulations 2001. Refunds will be made within 2 weeks after RMIT cancels program or programs ceases to be provided.
- Student obtains permanent residency by census date (and has been offered CSP or fee-paying place; and submits a Change of Citizenship/Immigration Status form to RMIT by the same applicable census date). An AU$500 Administration fee may be charged to cover educational representative fees.

- • A notice of withdrawal due to exceptional circumstances of a compassionate nature.

2. Australian Government has rejected a visa extension students will be charged an AU$500 administration fee.

3. Students who apply to transfer to another RMIT program after no more than 2 weeks from the program commencement date will be charged an AU$500 administration fee. (Any available credit balance after the deduction of the administration fee will be applied to the other program's tuition fees).

4. Overseas Student Health Cover (OSHC) and application fees are non-refundable. Students must apply for an OSHC refund direct to Medibank Private.

5. Executive discretion may be exercised to consider applications which do not comply with the above provisions but for which extraordinary circumstances may exist. Application for a refund in special circumstances must be made in writing and sent to the Director, International Services. Proof of payment of the fees (e.g. an official receipt) and validation of the reasons for applying for a refund will be required.

6. Any further appeal to the decision made by the Director, International Services, may be directed to the Pro Vice-Chancellor (International and Development) should this be necessary.

RMIT English Worldwide – refunds

Reason for requiring a refund	Information that the student must provide	Timing	Amount of refund
Australian government refused to grant or extend a student visa.	Student's written claim and certified evidence of the Department of Immigration and Citizenship (DIAC) rejection of the visa application.	Application for refund received at any time.	Tuition fees will be refunded in full. However, an administration fee of $200 will be charged (Withdrawal from ELICOS). Refund will be made within 28 days of written notice.
Transfer is sought to another institution (transfer conditions must be in accordance with government requirements).	Student produces evidence of a non-conditional offer letter and the transfer conditions are in accordance with Australian Government requirements.	28 days or more prior to the commencement of the next ELICOS module of the course.	Tuition fees less an administration fee equivalent to 20% of the remaining tuition fees. Refund will be made within 28 days of written notice. No transfers of tuition fees will be made to another English language centre unless RMIT English Worldwide is unable to proceed with the study program applied for.
RMIT English Worldwide is unable to offer the course or the course is cancelled.	N/A	Application for refund received at any time.	All fees.
Student cancels course.	Cancellation in writing by the student or nominated	28 days or more before the study program	An administration fee of $400 may be charged ($200 Withdrawal from ELICOS and $200 ELICOS

	representative.	commences.	Enrolment Fee).
Student cancels course.	Cancellation in writing by the student or nominated representative.	Less than 28 days before the study program commences.	50% of tuition fees (or no more than 12 weeks fees).
Student cancels course.	Cancellation in writing by the student or nominated representative.	After the study program has commenced.	No refund.

RMIT English Worldwide refund procedure

i. All applications for refunds must be made in writing to the Director, Melbourne Language Centre, RMIT English Worldwide, and made by the person requesting the refund.
ii. Refunds will be made by an RMIT cheque in Australian currency (AUD) and refunded to the person who originally paid the fee (evidence must be provided).
iii. Refunds will be sent to the payer's home country address unless RMIT English Worldwide is unable to proceed with the total study program applied for. In this circumstance, the refund may be sent to the payer's address in Australia upon written request by the student.
iv. No refund will be granted if a student is reported to the Department of Immigration and Citizenship (DIAC) for a breach of visa conditions and has his/her visa cancelled.

Footnotes:
[1] These rules cover deposits and tuition fees collected by RMIT representatives on behalf of RMIT.

[2] RMIT has two standard terms/semesters. Enrolment is considered standard where the start and end dates of the class are within two weeks of the start and end date of the term/semester.

[3] Percentage is of monies paid.

[4] No changes to enrolment will be made after census date unless there is evidence of university error. Students should make contact with their School and notify them as soon as practical.

[5] A study program is a program or a series of programs.

[6] Withdrawal of acceptance is done with lodgement of Application for Refund form for International Students. Cancellation of enrolment is done with lodgement of Cancellation of Enrolment or Change of Program for International Students form.

[7] This agreement does not remove a student's right to take further action under Australia's consumer protection laws.

11 Financial liability will remain until enrolment is cancelled

The financial liability of a student's enrolment will remain unless an *Enrolment Variation*, *Leave of Absence* or *Cancellation of Enrolment* form, or enrolment variation using Enrolment Online is completed and lodged by the appropriate date.

Withdrawal from a course using Enrolment Online, lodgement of an approved *Enrolment Variation*, *Leave of Absence* or *Cancellation of Enrolment* form with RMIT University or RMIT English Worldwide are the only mechanisms to withdraw from a course or program of study. Failure to lodge the appropriate request before the deadline will result in the tuition liability remaining and the appropriate debt recovery actions will be enforced.
