### RMIT University

---

RMIT is a multi-sector university of technology, design and enterprise with more than 96,000 students and close to 10,000 staff globally. The University's mission is to help shape the world through research, innovation and engagement, and to create transformative experiences for students to prepare them for life and work.

<https://www.rmit.edu.au/about>

<https://www.universitiesaustralia.edu.au/university/rmit-university/>

Our three main campuses in Melbourne are located in the heart of the City, Brunswick and Bundoora. Other locations include Point Cook, Hamilton and Bendigo, two campuses in Vietnam (Hanoi and Ho Chi Minh City) and a centre in Barcelona, Spain. RMIT is a truly global university.

<https://www.rmit.edu.au/about/our-locations-and-facilities>

We are also committed to redefining our relationship in working with, and supporting, Indigenous self-determination. Our goal is to achieve lasting transformation by maturing our values, culture, policy and structures in a way that embeds reconciliation in everything we do. We are changing our ways of knowing, working and being to support sustainable reconciliation and activate a relationship between Indigenous and non-Indigenous staff, students and community. Our three campuses in Melbourne (City, Brunswick and Bundoora campuses) are located on the unceded lands of the people of the Woi Wurrung and Boon Wurrung language groups of the eastern Kulin Nation.

## College of Business and Law

---

RMIT's College of Business and Law takes an industry and student-centred approach to its courses and programs, ensuring graduates are work ready and able to tackle business challenges, balance stakeholder needs, act as socially responsible global citizens and create fair and positive futures for all.

The College delivers impactful research informed by industry, which supports its strong position as a College at the intersection of business and technology with social impact. Its important work is underpinned by the principles of quality, collaboration, big ideas and putting people first.

As one of the largest Business Schools in the Asia Pacific region, the College is comprised of five schools – four in Melbourne and one in Vietnam – and delivers a broad range of programs in Business and Law, ranging from Degree to PHD levels.

The College's Business and Law programs are delivered in Melbourne as well as through RMIT Online, with its Business programs also available in Vietnam and through partner institutions in Singapore and Shanghai. The College employs over 1000 staff and delivers programs to over 26,000 students

The College's central operations are located at RMIT University's City Campus in Melbourne and reside in the Swanston Academic and Emily McPherson buildings.

## Position Summary

---

The Associate Professor will provide leadership and foster excellence in teaching and research efforts of the School, within the University, and with the community, professional, commercial and industrial sectors. More specifically, the Associate Professor is responsible for providing original, innovative and distinguished contributions to the School's programs for maintaining and advancing their scholarly, research and/or professional capabilities relevant to this discipline at a national and international level. The Associate Professor will also teach and make a significant contribution to teaching and learning in the discipline with the aim of improving learning outcomes for students. The Associate Professor will make a significant contribution to the planning and strategic direction of the School, taking on academic leadership roles involving participation in various committees within the School, College and University and external to the University, as appropriate. The Associate Professor may be appointed as Deputy Head of School/Dean for a specific discipline or to provide strategic leadership for learning and teaching or research and scholarship.

## Reporting Line

---

Reports to: Head of Department, Logistics and Supply Chain Management

Direct reports: n/a

## Organisational Accountabilities

---

RMIT University is committed to the health, safety and wellbeing of its staff. RMIT and its staff must comply with a range of statutory requirements, including equal opportunity, occupational health and safety, privacy and trade practice. RMIT also expects staff to comply with its policy and procedures, which relate to statutory requirements and our ways of working.

RMIT is committed to providing a safe environment for children and young people in our community. Read about our commitment and child safe practices. <https://www.rmit.edu.au/about/our-locations-and-facilities/facilities/safety-security/child-safety>.

Appointees are accountable for completing training on these matters and ensuring their knowledge and the knowledge of their staff is up to date.

## Key Accountabilities

---

- Lead advancement of teaching in the discipline including initiating program improvements, improving academic standards, leading assessment design, conduct and moderation.
- Lead research contribution in their discipline at national and international level including:
  - developing highly successful research teams
  - leading publication effort of research team/s
  - identifying and attracting external research funding to sustain research growth within the College
  - supervising higher degree by research candidates.
- Lead outstanding contribution to the teaching, research and/or scholarship activities of an organisational unit, including a large organisational unit, or interdisciplinary area.
- Make an outstanding contribution to the governance and collegial life inside and outside of the University.

## Key Selection Criteria

---

1. Demonstrated ability to direct an award program/s and implement program improvements and innovative approaches to student-centred learning and quality improvement programs.
2. Nationally recognised research track record including substantial record of research outputs in high quality outlets and emerging international recognition in supply chain management.
3. Extensive experience in research leadership with the ability to build and develop collaborative research teams, mentor academic staff to deliver high quality outcomes, attract and secure external research funding to sustain research effort, manage funded research projects including complex budgets and reporting requirements.
4. Extensive experience in supervising higher degree by research candidates to maximise research performance.
5. Demonstrated ability to lead scholarly development and manage and supervise academic teams and members.
6. Demonstrated understanding of and commitment to financial, governance and quality management systems within a university.
7. Demonstrated high level of interpersonal, communication and negotiating skills including the ability to consult with senior executives, external bodies, produce executive reports, negotiate agreed directions, outcomes and targets within a collaborative environment.
8. Proven ability as an effective member of a management team that develops and achieves shared goals and objectives.
9. Preference will be given to applicants with a track record in sustainability related research and a focus on social impact, especially regarding indigenous perspectives.

## Qualifications

---

**Mandatory:** PhD in relevant field

Note: Appointment to this position is subject to passing a Working with Children Check and other checks as required by the specific role. Maintaining a valid Working with Children Check is a condition of employment at RMIT.
