

# **Position Description – Professor**

Position Title:	Professor	
College/Portfolio:	STEM College	
School/Group:	School of Health & Biomedical Sciences	
Campus Location:	Based at the CBD/Bundoora campus, but may be required to work and/or be based at other campuses of the University.	
Classification:	Academic Level E	
Employment Type:	Continuing	
Time Fraction:	1.0 FTE	

#### **RMIT University**

RMIT is a multi-sector university of technology, design and enterprise. The University's mission is to help shape the world through research, innovation and engagement, and to create transformative experiences for students to prepare them for life and work. For more information on RMIT University follow the links below.

https://www.rmit.edu.au/about

https://www.universitiesaustralia.edu.au/university/rmit-university/ https://www.rmit.edu.au/about/facts-figures

Our three main campuses in Melbourne are located in the heart of the City, Brunswick and Bundoora. Other locations include Point Cook, Hamilton and Bendigo, two campuses in Vietnam (Hanoi and Ho Chi Minh City) and a centre in Barcelona, Spain. RMIT is a truly global university. https://www.rmit.edu.au/about/our-locations-and-facilities

We are also committed to redefining our relationship in working with, and supporting, Indigenous selfdetermination. Our goal is to achieve lasting transformation by maturing our values, culture, policy and structures in a way that embeds reconciliation in everything we do. We are changing our ways of knowing, working and being to support sustainable reconciliation and activate a relationship between Indigenous and non-Indigenous staff, students and community. Our three campuses in Melbourne (City, Brunswick and Bundoora campuses) are located on the unceded lands of the people of the Woi Wurrung and Boon Wurrung language groups of the eastern Kulin Nation.

### Why work at RMIT University

Our people make everything at the University possible. We encourage new approaches to work and learning, stimulating change to drive positive impact. Find out more about working at RMIT University, what we stand for and why we are an Employer of Choice. https://www.rmit.edu.au/careers

We want to attract those who will make a difference. View RMIT's impressive standings in university rankings.

# STEM College

The STEM College holds a leading position in the science, technology, engineering, mathematics, and health (STEM) fields. We are uniquely positioned to influence and partner with industry, and to support collaboration across all areas of STEM.

The STEM College employs 1,000 staff who deliver onshore and offshore programs to approximately 25,000 students. Our vibrant research community attracts funding from a range of government and industry sources in support of high impact research that transforms industries, shapes lives and communities.

The College offers higher education programs across all STEM disciplines at the Bachelor, Master and PhD levels, and ensure our students experience an education that is work-aligned and life-changing. Industry is at the heart of what we do. It ensures our research has real world impact, and our students are truly work-ready. We have established new hubs of industry-connected digital innovation and endeavour and are engaging with global STEM organisations at scale.

Our diversity and shared values empower our work, and we are proud of the College's inclusive, caring culture. We offer a safe, dynamic work environment, and support every member of our community of achieve their potential. The College appointed Victoria's first ever Dean of STEM, Diversity & Inclusion in 2020, and this role drives gender equity, diversity and inclusion strategies across the College.

#### School of Health and Biomedical Sciences

The School of Health and Biomedical Sciences comprises three Academic areas (Allied Health, Applied Health, and Biomedical Sciences). Primarily based at the RMIT Bundoora campus, we undertake teaching and research across eleven disciplines: Human Biosciences, Laboratory Medicine, Medical Radiations in the three streams of medical imaging nuclear medicine and radiation therapy, Nursing, Osteopathy, Chinese Medicine, Chiropractic, Pharmacy, Pharmaceutical Sciences, Physiotherapy and Psychology. Our programs all included embedded Work Integrated Learning as an intrinsic part of student learning, both through professional practice placements in partner health industries and through the University's student led Health Sciences Clinic located at Bundoora.

The School's research was ranked as well above world standard in clinical science, complementary and alternative medicine, medical physiology, microbiology and pharmacology & pharmaceutical sciences, and above world standard in psychology, public health & health service and medical & health sciences. We have a strategic focus on chronic disease and multidisciplinary health care with cross-cutting themes of: Respiratory Health, Neurodevelopment and Neuroinflammation, Ageing in Health & Disease, Diagnostics, Therapeutics and Translational Immunology in Cancer Care, Cardiometabolic Health, Mind and Body Rehabilitation, Digital Health and Health by Design. Research within the School is supported by modern facilities and state-of-the-art equipment as well as a significant number of national and international partners.

#### Details of the School can be found at:

https://www.rmit.edu.au/about/our-education/academic-schools/health-and-biomedical-sciences

### **Position Summary**

The Professor is a senior academic and eminent researcher in the specialist field, contributing significantly to teaching and research outputs, building capability of staff and promoting strong academic performance. The Professor will provide high level research leadership developing and leading research project teams and programs and fostering a vibrant research culture. He or she will be required to develop a high-quality and productivity-driven research network across RMIT and with external national and global partners. The Professor will also teach and make a significant contribution to teaching and learning in the discipline with the aim of improving learning outcomes for students. The Professor will make a significant contribution to the planning and strategic direction of the School,

taking on major academic leadership roles involving participation in various committees within the School, College and University and external to the University, as appropriate.

# **Reporting Line**

Reports to: Dean of School/Associate Dean - TBC Direct reports: TBC

# **Organisational Accountabilities**
