RMIT University

RMIT is an international university of technology, design and enterprise with more than 90,000 students and close to 11,000 staff globally. We empower people and communities to adapt and thrive across generations, with applied and impactful education, research and civic engagement.

Our diverse global community of 500,000 + graduates, live and work in more than 150 countries around the world and return throughout their careers to refresh and update their skills, or change career direction. Postgraduate, undergraduate, vocational education, foundation studies and online programs offer students a variety of work-relevant pathways.

We have multiple locations in Melbourne and Victoria, with two campuses and an English language centre in Vietnam (Ho Chi Minh City, Hanoi and Danang) and a research and industry collaboration centre in Barcelona, Spain. In addition, programs are offered through partners in Singapore, Hong Kong, Sri Lanka and mainland China, with research and industry partnerships across the globe.

We continue to consolidate our international reputation and now rank 125th in the 2026 QS World University Rankings and appear in the 251-300 band of the 2025 Times Higher Education World University Rankings. Strong industry connections, forged over 136 years, remain integral to RMIT's leadership in education, applied and innovative research, and to the development of our graduates as skilled global citizens. Alongside industry-relevance, creativity and inclusivity are distinct hallmarks of an RMIT education.

RMIT Vietnam

RMIT University Vietnam (RMIT Vietnam) is a campus of RMIT University. RMIT Vietnam is the leading International University in the country and has an innovative research, teaching and learning culture. We are committed to providing internationally recognised high-quality education and professional training for our students, clients and members of the community.

As an internationally recognised Australian university based in Asia, RMIT Vietnam is assisting in the development of human resources capability in Vietnam and the region and supporting RMIT's vision to be a leading university of impact in the Asia Pacific.

With Vietnam operating as the heart of RMIT's regional network, we partner with industry and government to create collaborative networks across Southeast Asia focused on smart and sustainable cities, regional collaboration, emerging technologies and social innovation.

Degrees are awarded by RMIT University in Australia, allowing Vietnamese students to receive an international education in Vietnam. Given its global profile, RMIT Vietnam is also host to students from Australia and many other countries. All degree programs are recognised by the Vietnamese Ministry of Education and Training (MOET) and are subject to regulation by the Australian Tertiary Education Quality and Standards Agency (TEQSA) RMIT Vietnam offers a comprehensive range of academic programs, encompassing English language courses, bachelor's degrees, master's degrees, and doctoral studies. The medium of instruction for all courses at RMIT Vietnam is English, ensuring a global standard in education and communication programs. All teaching at RMIT Vietnam is in English.

Position Summary

The Senior Lecturer will contribute to the teaching and research efforts of the school. The incumbent is to make a significant contribution to the delivery of programs and to be actively involved in research, consulting and other professional activities. The Senior Lecturer will develop, engage in and lead high quality research projects that are aligned with the University's research focus areas to achieve success in attracting research funding and to produce high quality outputs. The Senior Lecturer will have an important research leadership role in embedding their research expertise into the life of the school and will be required to develop high-quality, productivity-driven networks across RMIT and with local, national and global, internal and external partners. The Senior Lecturer may have responsibility for program management.

Reporting Line

Reports to: Senior Program Manager, Economics

Indirectly reports to: Head of Department of Economics & Finance

Key Accountabilities

- Make original contributions in teaching and/or scholarship which expand knowledge or practice within the discipline including designing, conducting and moderating assessment; implementing improvements informed by course evaluation activities and student feedback.
- Undertake independent teaching at undergraduate level, including the design, delivery, assessment, and moderation of courses in economics.
- Serve as Course Coordinator with responsibility for curriculum design, assessment development, marking and moderation processes, and the implementation of continuous course improvements informed by course evaluation data, student feedback, and peer review. Ensure alignment with program learning outcomes, accreditation requirements, and university teaching and learning standards.
- Conduct and lead high quality research, recognised at the national level: developing highly successful research teams; managing research projects and programs within timelines and budget and ensuring compliance with quality and reporting requirements; regularly publishing research results in high quality outlets as lead author and in collaboration with other researchers; identifying appropriate funding sources and prepare successful external research funding submissions; supervising higher degree by research candidates.
- Participate in the School/University strategy development and governance and make a significant contribution to administration activities of an organisational unit or an interdisciplinary area at undergraduate, honours and postgraduate level, which may include program management of a large award program or a number of smaller award programs.
- Adhere to the requirements of the Academic Expectations and Development Framework of RMIT Vietnam.

Key Selection Criteria

- PhD in Economics or equivalent Doctoral qualification
- Demonstrated ability to coordinate large courses and prepare and delivery programs at undergraduate and post-graduate levels, including high quality curriculum and program materials and ability to implement innovative approaches to student-centred learning and quality improvement.
- Ability to manage a large program or a number of small programs.
- Demonstrated ability to support student issues related to effective learning.
- Emerging nationally recognised research track record including substantial record of research outputs in high quality outlets.
- Extensive experience in research leadership with the ability to build and develop collaborative research teams, mentor academic staff to deliver high quality outcomes, attract and secure external research funding to sustain research effort and manage funded research projects including complex budgets and reporting requirements.
- Extensive experience in supervising higher degree by research candidates to maximise research performance.
- Demonstrated ability to manage academic program team, supporting scholarly development of less experienced academic staff.
- Demonstrated understanding of and commitment to financial, governance and quality management systems within a university.
- Demonstrated high level of interpersonal, communication and negotiating skills including the ability to consult with senior executives, external bodies, produce executive reports, negotiate agreed directions, outcomes and targets within a collaborative environment.
- Recent, strong and sustained performance regarding student outcomes, student experience and feedback; combined with notable experience and demonstrated skill in a wide range of teaching settings.
- Ability to operate within and provide leadership across own discipline and cross-disciplinary/multidisciplinary teams to achieve Department and University strategic outcomes.
- Ability to work with external partners, industries, organisations and communities and can operate effectively to address complex issues or seek opportunities
- Ability to motivate, influence, develop and inspire others through discipline leadership in the University environment and with external partners and stakeholders.
- Ability to display appropriate behaviours in line with the position and RMIT Values.

English Proficiency

English is the language of teaching and communication at RMIT Vietnam. For this role, the minimum requirement is IELTS (Academic) with a score of at least 7.0 (or equivalent, as outlined in the Recruitment, Selection and Onboarding Guidelines).

For any role, English Language Proficiency may also be proven by showing successful completion of secondary education to a level qualifying to enter university study while being instructed through the medium of English, as per the RMIT University recognised qualification list.

Organisational Accountabilities

RMIT Vietnam is committed to the health, safety and wellbeing of its staff members. RMIT Vietnam and its staff members must comply with a range of Vietnamese legal and regulatory requirements, including foreign investment & business, import & export, contracts & commerce, banking, finance & foreign exchange, labour, taxation, land & premises, environment, and immigration. RMIT Vietnam expects all staff members to comply with its Code of Conduct, policies and procedures, which relate to legal and regulatory requirements and our ways of working.

Work Permit

All foreign employees must adhere to the requirements for obtaining a valid visa and work permit in Vietnam. These requirements are mandated by the Government and may be over and above the mandatory requirements and key selection criteria. Work permit requirements are subject to change. RMIT Vietnam accepts zero tolerance to non-adherence of the immigration laws of Vietnam.

Background checks

RMIT Vietnam is committed to providing a healthy and safe working, research and learning environment that enhances wellbeing across our community. As part of this commitment, all new employees are required to undergo background checks prior to commencing employment. Offers of employment are conditional upon the satisfactory completion of these checks. The specific requirements may vary depending on the nature of the role, as outlined in our Background Check Matrix.
