

Storey Scholarship Application Form

John Storey Junior was a young man full of drive and energy. While studying Mechanical Engineering at RMIT, he helped found the Student Representative Council, acted as its first President, and lobbied for the establishment of a central library. His studies were cut short when he was diagnosed with leukaemia and died in 1947, aged just 22. His father, industrialist Sir John Storey, left a sizeable bequest to RMIT for the establishment of a scholarships fund to commemorate his son's life, which finances the Storey Scholarships.

Scholarship Conditions

- Funds received should be used to meet the costs incurred during a student's Exchange Program.
- Recipients must provide a one-page written travel report and photos covering the main aspects of their Exchange/Study Abroad program within 4 weeks of returning to RMIT University.
- Should a recipient not complete their Exchange program, they must provide a written account of the reasons why as soon as the Exchange is terminated.
- Recipients must understand that by not completing the Exchange program, they may be liable to repay the scholarship in full or in part as determined by the Global Experience Office in consultation with the donor.
