

Appeal against an equitable or alternative assessment arrangement outcome – University Appeals Committee (UAC)

Information sheet

This form is to be completed by

Students who have been **denied** an equitable or alternative assessment arrangement and want to appeal against the decision to the University Appeals Committee (UAC).

Submission requirements

In order to make an appeal submission you must:

- have received a **denied** outcome for an equitable or alternative assessment arrangement application
- lodge this submission to ensure delivery to the UAC secretariat no later than 10 working days from the date of the denied outcome (the appeal deadline)

Appeal applications that don't meet all of the above submission requirements can't be accepted and will be deemed automatically ineligible for consideration.

In order to protect University IT systems and the integrity of your appeal submission, the completed appeal form and documentary evidence will only be accepted by email in PDF and JPG formats. If you believe the circumstances of your appeal require submission in alternative formats, please contact the UAC secretariat for advice immediately.

What will happen next? Will I be granted a hearing of the UAC?

In lodging an appeal, you're requesting a hearing of the UAC to consider your appeal against a decision to deny your request for an equitable or alternative assessment arrangement.

Following receipt of a complete appeal submission the Academic Registrar (or nominee) will, within 20 working days, decide whether your application satisfies the submission requirements and the ground/s of appeal you've selected on page 2 of this form.

Where the eligibility criteria have been deemed:

- (a) to have been met – a hearing of the UAC will be arranged and we will advise you of the date and time accordingly
- (b) to not have been met – your request for a hearing will be denied and we will advise you accordingly. This communication will explain the reasons for the determination and also advise you of your right to seek an external review of the decision.

Communication

Your RMIT student email account will be used for correspondence related to your appeal. If you are no longer a current student, your registered personal email account will be used.
