Examples of eligible documentation - not receiving eligible Centrelink payments

August 2020

Full names, addresses and Customer Reference Numbers (CRN) are redacted in these examples. **Do not** redact these details when you submit your documentation for a scholarship application, or it will be considered ineligible.

Most common reasons why documentation is not accepted:

- An ATO Notice of Assessment and 3 most recent payslips are not submitted for the applicant and all adults in their household
- Pay As You Go (PAYG) summaries are submitted instead of an ATO Notice of Assessment
- A bank account statement is submitted instead of an ATO Notice of Assessment
- The applicant's full name is not visible
- Documentation is not for the current year – *e.g. for the August-October 2020 application round, a 2019-20 ATO Notice of Assessment must be provided*
- Only one person's documentation is provided instead of all adults in the household
