Important information

Use this form to apply to RMIT as a cross institutional inbound student. If you are going outbound, please refer to rmit.edu.au/students/student-essentials/enrolment/enrol-as-a-cross-institutional-or-exchange-student/cross-institutional-enrolment#Inbound.

For more information about cross-institutional enrolment go to rmit.edu.au/students/student-essentials/enrolment/enrol-as-a-cross-institutional-or-exchange-student/cross-institutional-enrolment#Inbound. On approval of your application you will receive information about how to enrol online.

It is your responsibility to enrol online prior to the deadlines for the relevant semester.

For more information about cross-institutional enrolment go to rmit.edu.au/students/student-essentials/enrolment/enrol-as-a-cross-institutional-or-exchange-student/cross-institutional-enrolment#Inbound.

Student declaration

I understand and agree to the terms and conditions as outlined on the RMIT Cross institutional inbound enrolment webpage at rmit.edu.au/students/student-essentials/enrolment/enrol-as-a-cross-institutional-or-exchange-student/cross-institutional-enrolment.

I understand that once my application is approved, I am responsible for enrolling online into the correct RMIT course/s.

Student signature _____ Date (DD/MM/YYYY) _____

Full name _____ Contact number _____

Position _____

Email _____

Application for cross-institutional studies

Section C – Student and RMIT University college/school to complete

Course/s information

In order to complete the following section, students are advised to present their academic record and courses details to the RMIT school offering the course/s. If approval for courses from more than one RMIT school for the same semester is required, the student will need to obtain the signature from each school.

Course (subject) details – student to complete				Approval – RMIT staff to complete					
Course catalogue code	Course name	Class number	Semester	RMIT school	Prerequisites completed		Approved (please sign)	Date	Name (print)
					Yes	No			

Section D – Office use only – RMIT home school to complete

Student's home school (for quick admit details below) is considered to be the RMIT school with whom the student is seeking approval for the majority of their courses (or only course) or if the student is seeking approval for an equal number of courses from each RMIT school, the school most closely related to the student's home university program discipline.
