

2021 Application for iUSEpass

(International and New Zealand students)

Student Information

RMIT Student number _____ Date of birth (DD/MM/YYYY) _____
Family name _____ Given names/s _____
Program name _____ Program code _____

What is iUSEpass?

iUSEpass is a Public Transport Victoria (PTV) scheme for discounted travel on trains, trams and buses in Victoria. iUSEpass entitles eligible students to a half price PTV pass, which lasts for one year from the first time you 'touch on'.

Before you apply for an iUSEpass, please check if an iUSEpass product will benefit of you from the [iUSEpass website](#). **iUSEpass eligible programs are Diploma, Advanced Diploma, Associate Degree or Bachelor programs.**

iUSEpass Eligibility Checklists

Section 1

Are you an International student or New Zealand citizen?

Yes Please go to Section 2

No You are not eligible for iUSEpass

Section 2

Are you currently living in Australia?

Yes Please go to Section 3

No You are not eligible for iUSEpass

Section 3

Do you have current student card?

Yes Please go to Section 4

No Please obtain your student card first. Please visit the [RMIT Student card website](#) to request your Student card.

In Progress I have not yet received my Student card, however my photo has been approved and it will arrive shortly. Please go Section 4

Section 4

Are you enrolled in a full-time study load?

As an International student, you are required to complete your program by the expected end date, as outlined on your ECoE. This means that to be eligible for an iUSEpass, you must enrol in classes for more than 75% of an aggregated load for both the first and second half of the academic year. You can check your enrolment load on your [Statement of Enrolment](#) (SoE)

Yes Please go to Section 5

No You are not eligible for iUSEpass

Section 5

Please **select (only one of) the criteria below** which reflects your current enrolments. After you have selected, please go to Section 6.

Bachelor and Associate Degree students

Certificate IV students

I am currently enrolled in a Certificate IV program and I have a future commitment, as part of a package offer to enrol in an iUSEpass eligible program.

Study Abroad students

I am currently in my first semester and will be studying at RMIT for a year.

Diploma or Advanced Diploma students

Final semester in Diploma, Advanced Diploma OR Associate Degree students

I am currently enrolled in my final semester in a full-time study load. However I have a conditional offer in one of the iUSEpass eligible programs.

ELICOS students

I am currently enrolled in an ELICOS program. My future program is an iUSEpass eligible program and it will start in 12 weeks or less.

You are not eligible for iUSE pass when you are enrolled in one of the following programs:

- If you are enrolled in a Postgraduate program or a PhD.
- If you are enrolled in a Foundation or VCE program.
- If you are enrolled in the final semester. (International students enrolled in only one semester are not eligible for an iUSEpass unless they also have an offer in Study Link for a future eligible program. (e.g. you are completing a Diploma in Semester 1 and have a conditional offer for a Bachelor in Semester 2)

Section 6

Please select your iUSEpass option. After you have selected your option, please go to Section 7.

Zone 1 & 2

\$877.50

Section 7 - Student declaration

I understand and agree to the following:

- I must pay any outstanding debt to RMIT before I apply for an iUSEpass.
- If I become ineligible for iUSEpass for reasons other than completion of my program, RMIT may request PTV to cancel my pass.
- It is my responsibility to evaluate whether this product is of benefit to me.
- My iUSEpass code is unique to me and cannot be transferred to anyone else.
- It is my responsibility to activate my iUSEpass code as soon as possible after receiving it.
- The information I have provided on this form, as well as a copy of my student photo, may be shared with PTV for auditing purposes.
- I understand that my iUSEpass application form will be rejected if I do not meet the iUSEpass eligibility.
- If I cancel a program and am not enrolled in any iUSEpass eligible programs, RMIT will ask PTV to cancel my pass.
