

Student Outcome Survey (SOS)

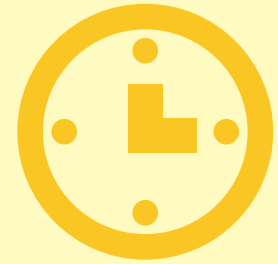

Purpose

To determine how well vocational education (VE) graduates are being prepared for post-study success and to measure their overall training satisfaction.

Prize Draw

Students participating in the survey have the option to go into a prize draw to win one of six \$1000 prepaid EFTPOS gift cards, or one of 60 runner-up prepaid EFTPOS card prizes. The total prize pool is valued at \$24,000.

Timing

The survey is emailed to graduates approximately four months after they complete their studies.

Government Mandate

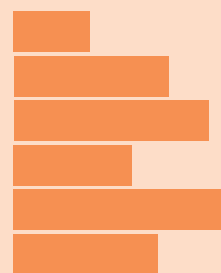

VE

The SOS is funded by the Australian Government Department of Education and Training. It is administered by the market and social research company Ipsos on behalf of the National Centre for Vocational Education Research (NCVER).

Questions

The majority of the survey questions are multiple choice and span topics including graduates' employment outcomes, further study pathways and overall satisfaction with their training.

Results

National SOS results are published on the NCVER website to facilitate comparison of VE graduate outcomes and satisfaction levels across Australia.
