

AV Loans Services Catalogue 2019

First edition Miranda Hunter February 2007
This revised edition Andrew Hayes
June 2019

What we do

Audio Video Loans (AV Loans) is an integral part of RMIT's IT Services. We offer a range of Audio Visual (AV), plus Information and Communication Technology (ICT) services as listed in this services catalogue to staff and students of RMIT.

The AV Loans team is focused on supporting the academic and learning environment within RMIT. With a broad range of skills and knowledge the team is committed to providing the best service and advice in a timely and efficient manner.

This services catalogue defines all the services and functions provided by the AV Loans team.

Location and Hours

AV Loans is located in Building 8, Level 7, Room 44 of the City Campus of RMIT.

They are available Monday to Friday, except Public Holidays and Christmas - New Years Breaks, 9:00 AM to 5:00PM.

Contact

Other than visiting us in person, for bookings and inquiries you can also

Email us at: avloans@rmit.edu.au

Phone the IT Service and Support Centre: + 61 3 9925 8888

Visit the IT Service and Support Centre portal at: <https://rmitism.service-now.com/sp>

Or fill in an AV Equipment Loan Request form by clicking [here](#) (Login required)

(This will submit a booking request only. We will contact you shortly after you make the request with availability and booking confirmation.)

Loans Service Information

Except for Data Projectors and Computers all equipment from AV Loans is loaned on a 24 hour basis, with loans required back by the next business day at 10:00 AM. Collections are between 10am and 4pm.

Projectors and Computers are for presentations only and are strictly same day only loans due back no later than 4:30 PM on the day.

Late Returns

Please note that if returning equipment late you will be banned for a period of time from borrowing any further equipment from us. Length of bans depend on length of lateness.

One day late is equal to a one month ban.

This is to ensure that everyone receives a fair chance of borrowing equipment and not having to miss out because someone has not returned their loan on time. Remember late returns could make someone else miss out on getting their work done on time.

Booking cancellations

At 4:00pm **SHARP** every day, we cancel all bookings not yet collected and loan to someone else who needs the equipment.

Battery charging

Before returning equipment please ensure at least one battery is fully charged. Failure to do so may incur a minimum one month ban.

Some other things you need to know

- We reserve the right to limit the quantity of equipment you can borrow.
- To be able to loan from us you must have with you your current RMIT University staff or student card. Expired cards will not be accepted under any circumstances. If you do not have your card you will not be allowed to loan equipment.
- Never leave equipment unattended. Leaving equipment unattended will result in a minimum 1 year ban from borrowing equipment.
- Equipment is your responsibility, it must never be given to someone else to use or return on your behalf.

Book ahead!

To help make sure you get the equipment you need when you need it, you can book ahead at the desk, by email or phone as per the details above. To help you out, [click here](#) to send a booking request e-mail! Please note we only allow one booking per week per same item type.

Support and Help Service

Need some help learning how to use the projector you just loaned or can't seem to get the camera to work? Come and see us at the AV Loans Desk and we can help you out.

The World Famous Lolly Jar

Well maybe not world famous but well known around campus at least, is our free to share lolly jar. So if you're feeling sweet toothed feel free to drop by for a Fantale, Mintie or Mentos.
