Section 3 Please read and tick the below box

RMIT University has a **no change of agent policy**. If applicants seek the assistance of an RMIT agent in obtaining an offer letter, their acceptance must be completed through the same agent. Extraordinary circumstances may be considered if applicants provide compelling evidence substantiating their request. Applicants are allowed one change of agent if they defer their acceptance to the next intake. In this case, applicants must complete their deferral request in StudyLink before appointing a new agent.

- I understand the above policy; however, I wish to change to another agent and I have attached supporting evidence. [\(go to Section 4.\)](#)
