

CW100 Registration

Register for Commonwealth100 - the online Open Source Leadership Programme. Commonwealth100 is a free, online leadership programme from Common Purpose that equips the next generation with 21st century leadership skills.

Using an interactive platform, you will work with a diverse group of young leaders from across the Commonwealth to explore Open Source Leadership: a new leadership model co-created by over 1,000 young Commonwealth leaders.

The course runs online every month. This is your opportunity to gain practical skills for the future!
