

Sage Videos: Library Linking and Embedding Guide

This guide will help you enrich your courses with videos from **Sage Video**. All material in Sage Video is licensed content and can be used in Blackboard, Canvas, Google Sites, or in Lecture Capture.

Go to rmit.edu.au/library > **Databases A-Z** > **All databases A-Z** > **S** > [Sage Video](#)

To gain full access to **Sage Video** you need to login with your **RMIT username** and **password** and then **Create A Profile** to become a user. This allows you to **Create Clips**, **Embed** and **Share**.

To create a profile:

1. Click the **Profile Button** next to Login.
2. Click the **create profile** button.
3. Fill in the required information.
4. Click **Save**.

Add to My Lists

Once you have created an account you can add programs to your **'My Lists'**.

1. **Search** for video on a topic of interest.
2. RMIT University does not have full access to all of **Sage Video**. Select the button on the right-hand side of the screen to limit to **'Available to me'**. The list will automatically update.

You can add videos to your My Lists.

1. Click on the **Add to my List** link below the video icon in your brief list view, or
2. Click on the **video title** and choose the **Add** button from the menu banner.

When you have added videos to your **My Lists**, they are located in the drop-down menu next to the login icon at the top of the screen.
