

Fees are adjusted on an annual basis and the fees in this schedule apply to 2021 only. The student tuition fees as published are subject to change given individual circumstances at enrolment. RPL fees are equivalent to the standard tuition fees for the course/s for which RPL is sought. More information about fees is available at rmit.edu.au/programs/fees/vocational.

For interstate apprentices, RMIT may receive funding from the relevant State Government in lieu of Victorian Government funding. The funding received will vary by contract.

Free TAFE: From January 1 2019, the Victorian Government is waiving tuition fees for eligible students commencing priority government subsidised non-apprenticeship and pre-apprenticeship programs. The number of Free TAFE places available is subject to change and the Victorian Government may cap the number of Free TAFE places available for a program at their discretion. RMIT programs eligible for Free TAFE have this denoted against their program code.

*To be eligible for a government subsidised place, you must meet the Victorian State Government eligibility criteria. Find out more at rmit.edu.au/programs/apply/vocational/eligibility.

**You may be entitled to a concession on your tuition and student services and amenities fees if you are in a Victorian Government subsidised place and you meet the eligibility criteria to apply for a concession. Diploma and advanced diploma students are not eligible for a concession or exemption of tuition fees. Aboriginal/Torres Strait Islander students in a government subsidised place are eligible to access fee concessions at all program levels (including diploma, advanced diploma, vocational graduate certificate and vocational graduate diploma programs). Visit rmit.edu.au/programs/fees/vocational/concession for more information.
