

Fees are adjusted on an annual basis and the fees in this schedule apply to 2025 only. The student tuition fees as published are subject to change given individual circumstances at enrolment. RPL fees are equivalent to the standard tuition fees for the course/s for which RPL is sought. More information about fees is available at rmit.edu.au/programs/fees/vocational.

For interstate apprentices, RMIT may receive funding from the relevant State Government in lieu of Victorian Government funding. The funding received will vary by contract.

Continuing students are charged for their program at their current fee rate (subject to annual indexation). This means that there may be two or more price streams for a single program. Where this occurs, the 'program description' field will indicate the cohort by calendar year that corresponds to the annual fee price listed

Free TAFE: From January 1 2019, the Victorian Government is waiving tuition fees for eligible students commencing priority government subsidised non-apprenticeship and pre-apprenticeship and pre-apprentices

\*To be eligible for a government subsidised place, you must meet the Victorian State Government eligibility-for-a-government eligibility-forian State Government eligibility-for-a-government-subsidised-place

\*\*You may be entitled to a concession on your tuition and student services and amenities fees if you are in a Victorian Government subsidised place and you meet the eligibility criteria to apply for a concession or exemption of tuition fees. Aboriginal/Torres Strait Islander students in a government subsidised place are eligible to access a tuition fee waiver at all program levels (including diploma, advanced diploma, vocational graduate certificate and vocational graduate diploma programs). Visit rmit.edu.au/programs/fees/vocational/concession for more information.
