## Assistance for Fire Affected Schools

RMIT expresses its deepest sympathy for the hardship and loss resulting from the bushfires across the country, which has also personally affected staff and students in the RMIT community.

As an offer of initial support, the University has made immediate financial assistance available to impacted RMIT students through the [Bushfire Emergency Financial Assistance Grant program](#), offering grants of up to \$1,500 for individuals.

We also understand that leaving home to attend University may be more traumatic than usual for both the students and their families, RMIT has [dedicated support teams](#) available to provide tailored support.

## Melbourne Renegades - Principals Function

On Tuesday 21<sup>st</sup> of January, RMIT hosted principals and international agents for a function to watch the Melbourne Renegades play in the Indigenous Round of the Big Bash League. While the Renegades lost by a narrow margin right down to the last ball, our principals and agents enjoyed the evening immensely.

## Study@RMIT

Formerly known as Info Corner, RMIT's front door space on the corner of La Trobe and Swanston street has been renamed Study@RMIT. A complete redesign of the architectural fit-out means the space will help prospective students interact with RMIT in a friendly and welcoming environment.

The staff at [Study@RMIT](#) can help with any questions you have about programs, applications, pathways and important dates for local and international prospective students.
