## Open Day

Open Day is a great time for students to experience life at RMIT. Dates for this year's Open Days are:

- Sunday 4<sup>th</sup> of August – Bundoora  
and
- Sunday 11<sup>th</sup> of August – City and Brunswick

## Online Planner

With over 1,000 presentations, activations and displays, where do students start with planning for Open Day?

Never fear, they can plan their day below to make sure they see everything they want to!

[Build a personalised planner >](#)

## Getting the most out of Open Day

How can students make sure they're asking the right questions, looking in the right places and talking to the right people on Open Day? There's so much more to university than studying and so how do students know what they should look out for?

[Here's five tips to make the most of Open Day >](#)

## Open Day Highlights

Here's a list of what we think are 'must see' presentation and experiences while on campus:

### Intro to RMIT presentation

Bundoora – 11am

City – 10:30am, 12:30pm, 2pm

Designed to give students an overview of study options and experiences on offer through RMIT.

### Parents information session

Bundoora – 12pm

City – 11am

Providing parents information on all things RMIT, including VTAC applications, fees and pathways.

### How2RMIT presentation

Bundoora – 11:30am

City – 10:15am, 12pm, 1pm

Get the inside scoop on the real RMIT experience from current students.

### Elite Athletes Presentation

City – 12:30pm

Covering the criteria for elite classification, the entry scheme, academic flexibility, timetable support, scholarships and more!

### Regional and Interstate Presentation

Bundoora – 11am

City – 11am

Making the move to Melbourne can be scary, but RMIT can help with the process! Find out how!

### Global Experiences Presentation

City – 11:30am

Where in the world might RMIT take you? Find out how you can travel as part of your studies.

### The Design Marketplace

Brunswick – All day

Shop for unique crafted and designed items on sale from RMIT's talented Vocational and Higher Education students.

## Getting to Open Day

### Bundoora campus

Parking will be free at the Bundoora campus.

[Further travel information >](#)

### Brunswick campus

Parking will be free at the Brunswick campus.

[Further travel information >](#)

### City campus

There are a range of public transport options which students can utilise to get themselves to campus.

## Wanting to take flight?

Our Point Cook Training Facility will be hosting an Open Day on the 25<sup>th</sup> of August. Our experienced flight instructors are on standby to talk about the range of career opportunities in aviation.

[Register for the RMIT Flight Training Open Day >](#)

## Free buses from Shepparton and Bairnsdale

Do you have students interested in coming to RMIT Open Day from Shepparton or Gippsland?

Students can register to catch a free RMIT bus service. They're welcome to bring family members along too!

## Course updates

### Associate Degree in Aviation (Professional Pilots)

Classes for this course are now being offered at both our Point Cook and Bendigo facilities. Students who successfully complete the program will be eligible to apply for a CASA Commercial Pilots Licence plus either Command Instrument Rating (multi-engine) or Flight Instructor Rating (single engine).

Further information can be found on our [course webpage](#).

### Bachelor of Engineering (Honours)

This new degree will allow entry with any maths including Further Mathematics, opening doors to many students that would otherwise miss out without the Maths Methods prerequisite.

Students will have the opportunity to choose from a wide range of specialisation electives in their first year, giving them the information they need to choose the area they'd like to focus on and continue from second year.

Further information can be found on our [course webpage](#).

### Bachelor of International Studies

This degree will replace our Bachelor of Arts (International Studies) for students commencing in February 2020.

Within this course, students will be able to specialise in one of four streams – general international studies, development, global security or languages, as well as choose electives. Students will develop skills in international relations, diplomacy, business and humanitarian policy and have the opportunity to complete an internship in Australia or overseas..

Further information can be found on our [course webpage](#).

### Bachelor of Space Science

Did you know that space is a \$495 billion-dollar industry? Australia currently does not have sufficient skilled professionals to meet this need. In response to this, RMIT will launch the Bachelor of Space Science for the February 2020 intake.

This degree encompasses our strong space industry and space agency partnerships with government and industry, including connections with Boeing, the Department of Defence and NASA.

Further information can be found on our [course webpage](#).

## Update your details

Do you have a new phone number or email address, or new staff member in your careers office?

Please contact us [here](#) to ensure that we have your details.

## Ordering course guides

A reminder that you can order RMIT 2020 Degree and Diploma Guides from us [here](#) if you haven't already this year.

Please use Google Chrome when ordering your guides as this works best with the system. Guides normally take 2 – 3 weeks to arrive at your school.
