

Change of Preference Guide

Take your future in your hands

# Make your preferences count with RMIT

On behalf of everyone at RMIT, congratulations on the huge achievement of officially completing your Year 12 studies! As your exam results begin to arrive and it's almost time to lock in your final VTAC preferences, so make sure you are ready. This is your chance to own your future and begin building the road to your dream career.

## Step 1

### Be ready

- Explore RMIT's courses
- Find out more about RMIT's facilities and campuses
- Remember the VTAC important dates

## Step 2

### What are your options

- Reassess your options after you've received your ATAR
- Consider pathways
- Utilise the ATAR course finder

## Step 3

### We're here to help

### Step 2

## What are your options

### Search for courses by ATAR

There are a lot of tools that can help you narrow down the search for the perfect course. One way is to search for a course by your ATAR requirement.

 [Our ATAR course finder is here to help](#)

### An ATAR isn't the only way into university

As the largest dual-sector university in Australia, RMIT offers many ways for you to transfer from one RMIT course to another. Doing so may even reduce the overall duration and cost of your tertiary education.

To begin your search and find the path that's perfect for you, check out our [Pathway finder](#) or [contact us](#) to discuss your options.

You can choose to study a hands-on TAFE qualification or another bachelor's or associate degree

Completed or partly completed studies can be credited in a new application to study their dream degree

If they fully completed their first round of study, they'll graduate with two industry-recognised qualifications
